On the Edge of Grace Christine Watkins, 2004-08 ON THE EDGE OF GRACE Mystical Stories of True Transformation Sometimes as human beings we find ourselves on the edge of grace At that edge an abyss falls away before us and we are helpless not to tumble into it unless grace reaches out

and saves us We do not always know how we arrived at such a precarious point but once there we know we need healing meaning love peace hope and happiness We know that we are seeking something to fulfill us and take away our angst and our sadness What we do not know is that we are seeking God Each true life story in this book reveals a person who has teetered on the edge of grace in seemingly hopeless situations and discovered hope and healing in a loving God The people an atheist a stripper a car thief a woman who had two abortions a sex addict a lonely youth a woman who told God to go to hell a woman who hears the voice of God a priest a man with the hidden stigmata and a homosexual man abandoned by his mother all possess as diverse as they are vital elements in common they have truly found God and they have received help in their journeys of faith through the Blessed Virgin Mary's presence and messages in Medjugorje Each story therefore begins with a message that Mary has given to the world a message which speaks to that person's life and perhaps to our own In Our Darkest Hour - Morning Star Over America William L. Roth, Jr., Timothy Parsons-Heather, 1999 Since February 22 1991 the Virgin Mary has blessed the authors with almost daily intercessions This edition is the first half of a 1 600 page diary kept by the authors of their supernatural experiences and prophetic messages Gettysburg Kent Gramm, 2019-06-17 In Gettysburg The Living and the Dead writer Kent Gramm and photographer Chris Heisey tell the famous battle's story through the eyes of those who lived and died there Unlike histories that simply recount the three furious days in July 1863 this book transports readers onto the battlefield and into the event's historical echoes making for a delightful immersive experience Creative nonfiction fiction dramatic dialogue and poetry combine with full color photographs to convey the essential reality of the famous battlefield as a place both terrible and beautiful The living and the dead contained here include Confederates and Yankees soldiers and civilians male and female young and old Visitors to the battlefield after 1863 both well known and obscure provide the voices of the living They include a female admiral in the U S Navy and a man from rural Virginia who visits the battlefield as a way of working through the death of his son in Iraq The ghostly voices of the dead include actual participants in the battle like a fiery colonel and a girl in Confederate uniform as well as their representatives such as a grieving widow who has come to seek her husband Utilizing light as a central motif and fourscore and seven voices to evoke how Gettysburg continues to draw visitors and resound throughout history alternately wounding and stitching the lives it touches Gramm's words and Heisey's photographs meld for a historical experience unlike any other Gettysburg The Living and the Dead offers a panoramic view wherein the battle and battlefield of Gettysburg are seen through the eyes of those who lived through it and died on it as well as those who have sought meaning at the site ever since
