Who in your team talked the least? How can you help amplify their voice?

Were your team members engaged in the meeting? What was their body language like? Were they distracted by anything else?

Was there an opportunity during the meeting to brainstorm ideas? How can we make our meetings more collaborative?

When there was a disagreement, how was it handled? Were you able to find a compromise? Did all parties leave feeling the issues were resolved?

Did the meeting ever get off topic? How were you able to refocus the team?
