Sports Emergency Care Robb Rehberg, Jeff G. Konin, 2024-06-01. For more than a decade *Sports Emergency Care: A Team Approach* has filled a void in athletic training education on the subject of emergency care. Now this updated Third Edition continues to pave the way to prepare athletic training students beyond traditional first aid training as well as providing specific information on emergency situations in sports for emergency medical services (EMS) professionals. In this updated Third Edition, Dr. Robb S. Rehberg and Dr. Jeff G. Konin, along with their 13 contributors, have created a resource that can be used in athletic training education programs as a core text in a sports emergency care course, a supplemental text in several courses that address immediate care within an athletic training education curriculum, and it can be used by EMS educators in developing continuing education programs for prehospital providers. Some of the topics included in the Third Edition are: Assessment of Sports Emergencies, Cardiovascular Emergencies, Management of Traumatic Brain Injury, Fractures and Soft Tissue Injuries, Managing Mental Health Emergencies, Care of Athletes with Disabilities, Emergencies in Sports for the Aging Athlete. Regardless of discipline, it is important for all health care providers caring for ill or injured athletes to be knowledgeable and proficient in managing sports emergencies. This ability can only be achieved through preparation and practice. *Sports Emergency Care: A Team Approach*, Third Edition, continues to be a groundbreaking text that gives access to the essential resources health care providers need to address sports emergencies. This includes but is not limited to athletic trainers, emergency medical technicians and paramedics, and physicians. From the Foreword: Emergencies can occur anytime and anywhere in sports, including at a practice or on the bus traveling to an event. After nearly 40 years as a professional sports athletic trainer, these emergency moments give me pause. Preparation is the key to successful outcomes in all emergencies. Ronnie P. Barnes, MS, ATC, Senior Vice President, Medical Services, Head Athletic

Trainer New York Football Giants **Sports Emergency Care** Robb S. Rehberg, 2007 One of the most critical components of being a certified athletic trainer is the ability to provide appropriate care to a suddenly injured or ill athlete The first of its kind Sports Emergency Care A Team Approach is an innovative text that addresses the specific educational needs of students and athletic trainers who are preparing to handle emergency medical situations in the sports arena Until now many athletic training educators have had to rely on general first aid materials that do not adequately address the needs of their programs Dr Robb Rehberg has stepped up to fulfill the growing need for a dynamic text that focuses on providing immediate medical care in sports Sports Emergency Care A Team Approach is tailored specifically to athletic trainers and athletic training students focusing on the skills knowledge and preparation needed to handle real sports emergencies Some topics covered include Assessment Emergency planning Interaction with emergency medical services Etiology signs and symptoms Common medical emergencies in sports Sports Emergency Care A Team Approach is a groundbreaking text that will familiarize students and athletic trainers with the emergency situations they will inevitably face throughout their careers At last educators students and athletic trainers have access to the essential resource they need to address sports emergencies
