Fairy Tales Transformed? Cristina Bacchilega, 2013-11-01 Scholars of fairy tale studies will enjoy Bacchilega's significant new study of contemporary adaptations **Werewolves, Wolves and the Gothic**, 2017-09-15 Wolves lope across Gothic imagination Signs of a pure animality opposed to humanity in the figure of the werewolf they become liminal creatures that move between the human and the animal Werewolves function as a site for exploring complex anxieties of difference of gender class race space nation or sexuality but the imaginative and ideological uses of wolves also reflect back on the lives of material animals long persecuted in their declining habitats across the world Werewolves therefore raise unsettling questions about the intersection of the real and the imaginary the instability of human identities and the worldliness and political weight of the Gothic This is the first volume concerned with the appearance of werewolves and wolves in literary and cultural texts from the mid nineteenth century to the present Drawing on representations of werewolves and wolves in literature film television and visual culture the essays investigate the key texts of the lycanthropic canon alongside lesser known works from the 1890s to the present The result is an innovative study that is both theoretically aware and historically nuanced featuring an international list of established and emerging scholars based in Britain Europe North America and Australia **A Tour of Fabletown** Neta Gordon, 2016-03-28 In 2002 Vertigo DC Comics published the first issue of Bill Willingham's Fables The series imagined the lives of fairy tale figures Snow White the Big Bad Wolf Cinderella and the ubiquitous Prince Charming among many others as they made new lives for themselves in modern day New York City having fled their storied homeworlds following an invasion After 150 issues and many awards Fables concluded its run in July 2015 This study the first about the sprawling complex series discusses such topics as Fables status as a contemporary adaptation
