The Church Supper Cookbook David Joachim, 2005-01-01

As Americans rediscover their connection to food some of our most treasured family recipes are making their way back to the table. These are not recipes that you can find in any standard cookbook. These recipes have been passed down from generation to generation, picking up the unique touch of each family member that has made them. Traditionally, these recipes are hard to come by. Only the most trusted friends and relatives are privy to them. To find these treasured morsels, *The Church Supper Cookbook* went straight to the local legends of community cooking: America's small town cooks. We asked nicely, pleaded in some cases, and were graced with the good fortune of more than 375 delicious, time-honored dishes from our country's best cooks. *The Church Supper Cookbook* is meant for home cooks who appreciate the value of the hard-to-find recipe served by a neighbor at a potluck or brought to a holiday gathering by a family member. Every recipe has a special flavor twist or clever cooking technique that makes it unique. Most recipes also include a heartwarming note from the cook. This is the book to turn to when you need to bring a fabulous dish to a family get-together or community function. Almost every recipe can be made ahead and taken along. These dishes are perfect for holidays, Sunday dinners, and weeknights too. They come together quickly, and the ingredients are probably already in your kitchen. With this book, you're sure to find plenty of new and tasty ways to feed your family. From brunch to dessert, *The Church Supper Cookbook* has it covered. Among the special features: Family size recipes that serve 6 to 8 people. Useful table of cooking equivalents. Recipes to feed a crowd of 15 or 100. Ingenious cooking shortcuts. Perfect potluck dishes. Over 150 cakes, cookies, pies, and puddings. [Show More](#)

Sublime Smoke Cheryl Jamison, Bill Jamison, 2004-02-25. Lighten up with fresh, flavorful dishes infused with all the smoky succulence of barbecue. For everyone who savors the husky resonance and deep flavors of wood-smoked barbecue, *Sublime Smoke* features more than 200 recipes that amply demonstrate how creative and delicious smoke cooking can be. Cheryl and Bill Jamison are the pioneers of teaching home cooks how to prepare traditional American barbecue. In *Sublime Smoke*, the Jamisons expand the craft and refine the art by celebrating a world of ethnic and global influences and highlighting foods not typical of barbecue, such as chicken, fish, seafood, and vegetables. *Sublime Smoke* reveals both the versatility and the unbeatable goodness of smoke cooking. Recipes include Double Smoked Salsa, Guadeloupe Conch Fritters, Warm Smoked Trout, and Greens, Tequila Soused Beef Burritos, Mustard and Maple Ham, Pomegranate Lamb Chops, Jammin' Jerk Chicken, Tasty Satay Tuna, Saffron and Ginger Sweet Potatoes, Veggie Heroes. *Cooking Lessons* Sherrie A. Inness, 2001. Meatloaf, fried chicken, Jell-O cake: because foods are so very common, we rarely think about them much in depth. The authors of *Cooking Lessons* however believe that food is deserving of our critical scrutiny and that such analysis yields many important lessons about American society and its values. This book explores the relationship between food and gender. Contributors draw from diverse sources, both contemporary and historical, and look at women from various cultural

backgrounds including Hispanic traditional southern White and African American Each chapter focuses on a certain food teasing out its cultural meanings and showing its effect on women s identity and lives For example food has often offered women a traditional way to gain power and influence in their households and larger communities For women without access to other forms of creative expression preparing a superior cake or batch of fried chicken was a traditional way to display their talent in an acceptable venue On the other hand foods and the stereotypes attached to them have also been used to keep women and men too from different races ethnicities and social classes in their place Better Homes and Gardens ,1929 **Farm Life** ,1928 **The Wooden Spoon Book of Old Family Recipes** Marilyn M.
