**The Research Process** Myrtle S. Bolner, Gayle A. Poirier, 2002 Many of the assignments you receive as part of your experience in higher education will require you to use the library for research To do this you must become familiar with its collections and services You may be familiar with your high school or public library You will find however that the college or university library is more complex and often larger than the library with which you may be familiar It probably provides a greater variety of services and it may use a different scheme for classifying its materials Over the last two decades technology has drastically changed the way we think of libraries For many the traditional notion of
