volume demonstrates that the insurgency is in fact a reflection of the hollowness within Nigeria's overall security Part III looks at the responses to Boko Haram by Nigeria neighbouring states and external actors For Western actors Boko Haram is seen as part of the global war on terror and the fact that it has pledged allegiance to ISIS encourages this framing However as the chapters here discuss this is an over simplification of Boko Haram and the West needs to address the multiple dimension of Boko Haram This book will be of much interest to students of terrorism and political violence insurgencies African politics war and conflict studies and IR in general      *Medical-Surgical Nursing* Priscilla LeMone, Karen Burke, Trudy Dwyer, Tracy Levett-Jones, Lorna Moxham, Kerry Reid-Searl, 2015-05-20 The focus of this product package is to provide students with a strong knowledge base an understanding of contemporary practice issues in Australia and the capacity for sound clinical reasoning You will use these professional attributes in order to provide safe and effective nursing care This easily understood straightforward Australian edition integrates the following concepts epidemiology pathophysiology pharmacology legal and ethical issues therapeutic communication interprofessional communication and cultural safety
