Summary & Study Guide - Civilization Lee Tang, 2019-05-02 Why does Western civilization dominate the rest of the world This book is a summary of *Civilization The West and the Rest* by Niall Ferguson The central question is Why did the West dominate the Rest and not vice versa The book describes six concepts that the West has developed that allow them to leap ahead of the Rest unleashing the Industrial Revolution and increasing human productivity Six hundred years ago Ming China and Ottoman Turkey dominated the world civilizations while Western Europe was a miserable backwater devastated by incessant war and disease But today Western civilization has risen to global dominance How has the West overtaken its Eastern rivals in the past 500 or so years In *Civilization* Niall Ferguson argues that beginning in the 15th

century the West developed six powerful concepts that the Rest lacked competition science property rights medicine consumerism and work ethic These six killer apps allowed the West to leap ahead of the Rest unleashing the Industrial Revolution and increasing human productivity Yet now the days of Western predominance are numbered because the Rest are adopting these same concepts while the West has lost faith in its own civilization Read this book and learn how these six killer apps help the West dominate the world This guide includes Book Summary helps you understand the key concepts Online Videos cover the concepts in more depth Value added from this guide Save time Understand key concepts Expand your knowledge
