Cooper, 2025-01-14 In recent years there has been increased attention towards activism in sporting spaces A vast majority of

these contributions have focused on intra nation tensions and impact Yet there is a dearth of scholarship that has engaged in a theoretically grounded analysis of how Black sportspersons have exhibited resistance in and through sport across national borders across time space and context In this text Joseph N Cooper introduces the Black Sporting Resistance Framework BSRF as an analytic lens to examine how resistance actions in and through sport have contributed to the advancement of local and global racial justice efforts Key concepts such as African Black diaspora transnationalism internationalism sporting resistance typology and sport activism typology are incorporated throughout the book Black sporting resistance is also analyzed alongside broader social movements such as the Black Liberation Struggle Black Nationalism Pan Africanism and Black Radicalism Insights on the ways in which sport can be used to advance social justice in the future are presented
