Handsome Prisoner A Gay Erotic Short Story English Edition:

Prison Guard Manuel García, 2025-07-11 In *Prison Guard* Manuel García strips gay eroticism to its muscular core. These stories are about real men: solid, weathered, often silent. They move through spaces where tension hums beneath the surface: locker rooms, prison corridors, park benches at night. Here, desire doesn't ask; it challenges, brushes up hard against power, silence, and instinct. No sentiment. No pretense. Just bodies, will, and the unsaid. The title story unfolds on the edge of danger and control. Leroy, a 55-year-old prison guard with a body like carved obsidian, meets the narrator at a university party. What begins as curiosity about prison life and men who give themselves turns into something quieter, darker, and more loaded: a walk through a park at night, no touch, just questions. Tension thick enough to taste. How do you feel, he asked, his voice steady in the dark, sitting alone in a park with a black man you barely know. I looked at him, I feel like I want you to touch me. He didn't. Not yet. He just smiled and said, Tomorrow, Nature Reserve. Be ready. García writes with the weight of sweat, stubble, and breath. *Prison Guard* is not a book about sex; it's about the slow ignition before the first move, the beat before surrender, the pull between fear and craving. Because sometimes the most erotic thing a man can do is wait. [Male Homosexuality in Children's Literature, 1867-1918](#)

Eric L. Tribunella, 2023-07-20 In his 1908 cultural and historical study of homosexuality titled *The Intersexes: A History of Similisexuality as a Problem in Social Life*, Edward Irenus Prime Stevenson includes a section on homosexual juvenile fiction, perhaps the first attempt to identify a body of children's literature about male homosexuality in English. Known for pioneering the explicitly gay American novel for adults, Stevenson was also one of the first thinkers to take seriously the possibility and value of homosexual children, whom he called young Uranians. This book takes as its starting point Stevenson's catalog of homosexual boy books around the turn of the century and offers a critical examination of these works along with others by gay writers who wrote for children from the mid-nineteenth century through the end of World War I. Stevenson's list includes Eduard Bertz, Howard Sturgis, Horace Vachell, and Stevenson himself, to which Horatio Alger, John Gambril Nicholson, and E. F. Benson are added. Read alongside major developments in English and German language sexology, these boy books can be understood as participating in the construction and dissemination of the discourse of sexuality and as constituting the figure of the young Uranian as central to modern gay identity. **12**

Masterpieces of Erotic literature. Illustrated edition Michel Millot, John Cleland, Daniel Defoe, Marquis de Sade, D. H. Lawrence, Leopold von Sacher-Masoch, Anonymous, Jack Saul, 2023-03-20 Erotic literature comprises fictional and factual stories and accounts of eros, passionate, romantic, or sexual relationships intended to arouse similar feelings in readers. This contrasts erotica, which focuses more specifically on sexual feelings. Other common elements are satire and social criticism. Much erotic literature features erotic art illustrating the text. Although cultural disapproval of erotic literature has always existed, its circulation was not seen as a major problem before the invention of printing, as the costs of producing individual manuscripts limited distribution to a very small group of wealthy and literate readers. The invention of printing in the 15th

century brought with it both a greater market and increasing restrictions including censorship and legal restraints on publication on the grounds of obscenity Because of this much of the production of this type of material became clandestine Michel Millot The School of Venus John Cleland Fanny Hill Daniel Defoe Moll Flanders Marquis de Sade The 120 Days of Sodom D H Lawrence Lady Chatterley s Lover Leopold von Sacher Masoch Venus in Furs Anonymous The Lustful Turk Anonymous The Romance of Lust Anonymous Autobiography of a Flea Anonymous The Way of a Man with a Maid Anonymous The Nunnery Tales Jack Saul The Sins of the Cities of the Plain

A Study of Erotic Literature in England W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marquis de Sade Paris 1927 and Retif de la Bretonne London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order

and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation

Latin American Writers on Gay and Lesbian Themes David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author s writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe
