Hanze Mba Books:

Facilities Management and Corporate Real Estate Management as Value Drivers Per Anker Jensen, Theo van der Voordt, 2016-10-04 Facilities Management FM and Corporate Real Estate Management CREM are two closely related and relatively new management disciplines with developing international professions and increasing academic attention Both disciplines have from the outset a strong focus on controlling and reducing cost for real estate facilities and related services In recent years there has been a change towards putting more focus on how FM CREM can add value to the organisation This book is driven by the need to develop a widely accepted and easily applicable conceptual framework of adding value by FM and CREM It presents the state of the art of theoretical knowledge and empirical evidence about the impact of buildings and facilities on 12 value parameters and how to manage and measure these values The findings are connected to a new Value Adding Management model The book is research based with a focus on guidance to practice It offers a transdisciplinary approach integrating academic knowledge from a variety of different fields with practical experience It also includes 12 interviews with practitioners shedding light as to how they manage adding value in practice This is a much needed resource for practitioners researchers and teachers from the field of FM and CREM as well as students at both undergraduate and postgraduate level

Educational Strategies for the Next Generation Leaders in Hotel Management Feng, Jiuguang, Stocklin, Sacha, Wang, Wei, 2015-04-30 As the hospitality industry continues to grow managers and educators are faced with the task of preparing future hospitality professionals for a rewarding but challenging career Due to the impact of an ever changing economy on the industry as a whole the education of hotel managers and professionals has become an increasingly important area of study Educational Strategies for the Next Generation Leaders in Hotel Management combines practical experience with the effective pedagogical approaches being implemented in higher learning institutions and hospitality programs internationally Highlighting key issues surrounding the current and future scope of hotel management and the skills and knowledge necessary for career success in the hospitality industry this publication is an essential reference source for hospitality managers educators and students interested in the future of the industry and the best practices for hospitality education This publication features timely research based chapters and analysis relevant to topics in the hospitality industry including but not limited to craft based learning e learning higher education hospitality management human resources opening delays professional development six sigma women in global leadership and work integrated learning

Creating Value-Added Services and Applications for Converged Communications Networks Johan Zuidweg, 2015-03-01 This resource provides a comprehensive survey of current and emerging intelligent telecommunications networks including underlying software implementation deployment and standards Readers are given an overview of new technologies and standards that allow operators and service providers to create and deploy value added services in a changing world increasingly dominated by packet switched networks using the internet protocol IP The main

goal of this book is to inform telecommunications engineers ICT managers and students about building applications and services over communications networks and managing them **Men of Achievement** ,1992 **Project Management of Hotel Opening Processes (Japanese Version)** Gert Noordzij,2016-04-08 The Chinese hotel industry has started the steepest new hotel development curve the world has ever experienced By 2039 China is expected to reach 9.1 million hotel rooms four times its current number Development on this scale generates specific dynamics and challenges It will require proven project management approaches that are widely used in other industries to meet these challenges head on and improve the efficiency and effectiveness of opening new hotels on large scale This book briefly considers published plans for future hotel openings in Greater China to explain the scale of the problem It analyzes why traditional approaches to opening new hotels do not work efficiently and cannot be scaled and why project management methodologies are the best way forward The major part of this book examines modern project management concepts to determine the feasibility of reorganizing a hotel management company and developing a new hotel opening how to guide so that it can use project management to effectively and efficiently open new hotels on large scale This book is a working document for senior hotel executives involved in new hotel opening projects who may be new to a high growth region new to a hotel opening project related position and new to project management *The Executive Mba* Jason A. Price,2011-02-03 More than ever before students and employers are choosing the Executive MBA as a means to obtain the coveted MBA degree From changing careers to working up the corporate ladder know your business school options full time part time online and Executive MBA Boost lifetime earning power develop life long friendships expand business and social network and immediately apply the training and education at work There are over 250 accredited business schools in the United States and over 300 worldwide that offer an Executive MBA In this book learn from EMBA graduates employers hiring managers financial aid officers and career experts Discover how full time employment while in business school brings a wealth of experience into the classroom Understand why the executive model is the future of business educational delivery Read how it is the most practical method to get an MBA given our busy lives If your five year plan included an MBA then this book is for you Consider these Questions Is the time right and can you make the commitment Can you continue to work while in school How can you get your employer to help pay Is the EMBA the best option for me **Project Management of Hotel Opening Processes (Traditional Chinese Version)** Gert Noordzij,2016-08-26 The Chinese hotel industry has started the steepest new hotel development curve the world has ever experienced By 2039 China is expected to reach 9.1 million hotel rooms four times its current number Development on this scale generates specific dynamics and challenges It will require proven project management approaches that are widely used in other industries to meet these challenges head on and improve the efficiency and effectiveness of opening new hotels on large scale This book briefly considers published plans for future hotel openings in Greater China to explain the scale of the problem It analyzes why traditional approaches to opening new hotels do not work efficiently and

cannot be scaled and why project management methodologies are the best way forward The major part of this book examines modern project management concepts to determine the feasibility of reorganizing a hotel management company and developing a new hotel opening how to guide so that it can use project management to effectively and efficiently open new hotels on large scale This book is a working document for senior hotel executives involved in new hotel opening projects who may be new to a high growth region new to a hotel opening project related position and new to project management

Project Management of Hotel Opening Processes (Korean Version) Gert Noordzij,2015-12-08 The Chinese hotel industry has started the steepest new hotel development curve the world has ever experienced By 2039 China is expected to reach 9 1 million hotel rooms four times its current number Development on this scale generates specific dynamics and challenges It will require proven project management approaches that are widely used in other industries to meet these challenges head on and improve the efficiency and effectiveness of opening new hotels on large scale This book briefly considers published plans for future hotel openings in Greater China to explain the scale of the problem It analyzes why traditional approaches to opening new hotels do not work efficiently and cannot be scaled and why project management methodologies are the best way forward The major part of this book examines modern project management concepts to determine the feasibility of reorganizing a hotel management company and developing a new hotel opening how to guide so that it can use project management to effectively and efficiently open new hotels on large scale This book is a working document for senior hotel executives involved in new hotel opening projects who may be new to a high growth region new to a hotel opening project related position and new to project management

Project Management of Hotel Opening Processes (Persian Version) Gert Noordzij,Rob Hornman,2017-11-22 The Chinese hotel industry has started the steepest new hotel development curve the world has ever experienced By 2039 China is expected to reach 9 1 million hotel rooms four times its current number Development on this scale generates specific dynamics and challenges It will require proven project management approaches that are widely used in other industries to meet these challenges head on and improve the efficiency and effectiveness of opening new hotels on large scale This book briefly considers published plans for future hotel openings in Greater China to explain the scale of the problem It analyzes why traditional approaches to opening new hotels do not work efficiently and cannot be scaled and why project management methodologies are the best way forward The major part of this book examines modern project management concepts to determine the feasibility of reorganizing a hotel management company and developing a new hotel opening how to guide so that it can use project management to effectively and efficiently open new hotels on large scale This book is a working document for senior hotel executives involved in new hotel opening projects who may be new to a high growth region new to a hotel opening project related position and new to project management
