

## Where power, means versatility

Intelligent and powerful as the Sun, it's surprising how often intelligent offices in Asia overlook the importance of lighting. The lighting is often chosen last, because lighting is seen as a mere practical necessity. But when it comes to lighting, there are a few things to consider. First, the lighting should be chosen to suit the office environment. The lighting should be chosen to suit the office environment. The lighting should be chosen to suit the office environment.
