program for customizing schooling to the learning needs of individual students and for motivating them to take increasing
responsibility for deciding what and how they should learn Whether the students are struggling or proficient the program is
designed to nurture their natural passion for learning and mastery challenging them to go beyond the easy and familiar so
they can truly excel The program can be introduced in stages in any middle or high school classroom and enables students of
diverse abilities to design and pursue independent course work special projects or even artistic presentations community
field work or apprenticeships Using this approach the students take on an increasingly autonomous self directed role as they
progress The heart of the program is the action contract or learning agreement whereby the student sets challenging yet
attainable goals commits to a path for achieving them and evaluates the results Special emphasis is placed on developing
skills and competencies that can serve the student well in his or her academic and career endeavors **Regulations**
