Translation Studies in the Philippines Riccardo Moratto, Mary Ann G. Bacolod, 2023-12-01 The contributors to this book examine the state development issues practices and approaches to translation studies in the Philippines The Philippines is a highly multilingual country with many indigenous languages and regional dialects spoken alongside foreign imports particularly English and Spanish Professor Moratto Professor Bacolod and their contributors analyse the different roles that translation plays across an extensive range of areas including disaster mitigation crisis communication gender bias marginalization of Philippine languages academe and views on sex gender and sexuality They look at a range of different types of translation from the translation of biblical texts to audio visual translation and machine translation Emphasising the importance of translation as an interdisciplinary field they use a variety of analytic lenses including anthropological linguistics language and culture studies semantics structural linguistics and performance arts among others A comprehensive resource for scholars and practitioners of translation as well as a valuable reference for scholars across a wider range of humanities and social science disciplines in examining the culture language and society of the Philippines

LANGUAGE AND EDUCATION POLICIES IN THE PHILIPPINES David Michael M. San Juan ,2023-01-01 This book is aimed at critiquing existing language and education policies through the lens of language advocates and typically politically sidelined education stakeholders and at the same time providing feasible policy recommendations to steer policies closer to grassroots aspirations of a multilingual country where our collective sense of nationhood and nationalism empowers us to reshape our education system for national development rather than the tired catchphrase of global competitiveness Such critiques and alternative perspectives are informed by available studies recent data and updated statistics This book is thus a handy introduction to 21st century language and education policies in the Philippines for both education stakeholders advocates administrators professionals and students *English Language Teaching and Teacher Education in East Asia* Amy Bik May Tsui, 2020-11-05 The spread of English is so much an integral part of globalization that it has become an essential global literacy skill In Asia this poses immense challenges to governments and English language teaching and teacher education professions as they attempt to meet this demand from students for a high level of English proficiency This volume examines English language education policies across ten Asian jurisdictions the corresponding teacher education policies and how these policies affect teachers and teacher educators Each chapter covers a different jurisdiction and is written by a scholar engaged in the implementation of government policies on English language and teacher education providing the reader with insiders perspectives It gives a fascinating glimpse into the remarkable similarities in the challenges posed to these countries and the critical issues that have emerged from the local responses despite their markedly different socioeconomic political cultural and historical backgrounds *Global Perspectives on Education Research, Vol. II* Liesel Ebersöhn, Ingrid Gogolin, 2023-05-31 Presenting a wide range of new research from World Education Research Association

WERA affiliated scholars pertaining to democracy and education this volume including topics such as school readiness in Mongolia high stakes teacher evaluation policy in Japan and family and community involvement in global educational advocacy This collection arrives at a time of extreme global challenges leaving researchers teachers students families and policymakers without a baseline of how to act react and be proactive to stem the chronic flow of disruption to global education systems These challenges require researchers worldwide to consider how evidence can support individuals and systems to buffer against extreme global health distress and conflict whilst simultaneously supporting the continued functioning of education systems and processes Such processes must allow students teachers leaders administrators and members of the educational communities to retain positive self esteem and maintain supportive relationships and systems that provide the appropriate conditions for such processes Global Perspectives on Education Research pulls together contributions from different contexts and cultures to distil vistas and research results that can enlighten a worldwide community of researchers education professionals and practitioners as well as policymakers and local national or supra national decision makers This text is also the ideal companion for educators and leaders alike as they navigate the uncertainty within global health and social justice

The Handbook of Linguistic Human Rights Tove Skutnabb-Kangas, Robert Phillipson, 2022-11-14 A groundbreaking new work that sheds light on case studies of linguistic human rights around the world raising much needed awareness of the struggles of many peoples and communities. The first book of its kind the Handbook of Linguistic Human Rights presents a diverse range of theoretically grounded studies of linguistic human rights exemplifying what linguistic justice is and how it might be achieved. Through explorations of ways in which linguistic human rights are understood in both national and international contexts this innovative volume demonstrates how linguistic human rights are supported or violated on all continents with a particular focus on the marginalized languages of minorities and Indigenous peoples in industrialized countries and the Global South. Organized into five parts this volume first presents approaches to linguistic human rights in international and national law political theory sociology economics history education and critical theory. Subsequent sections address how international standards are promoted or impeded and cross cutting issues including translation and interpreting endangered languages and the internet the impact of global English language testing disaster situations historical amnesia and more. This essential reference work Explores approaches to linguistic human rights LHRs in all key scholarly disciplines. Assesses the strengths and weaknesses of international law Covenants and Declarations that recognize the LHRs of Indigenous peoples minorities and other minoritized groups. Presents evidence of how LHRs are being violated on all continents and evidence of successful struggles for achieving linguistic human rights and linguistic justice. Stresses the importance of the mother tongues of Indigenous peoples and minorities being the main teaching learning languages for cultural identity success in education and social integration. Includes a selection of short texts that present additional existential evidence of LHRs. Edited by two renowned leaders in the field the Handbook of Linguistic Human Rights is an ideal resource for undergraduate and graduate students of language and law sociolinguistics applied linguistics language policy language education indigenous studies language rights human rights and globalization.

International Journal of Religious Education ,1929 The Routledge Handbook of English Language Education in the Philippines Julius C. Martinez, Isabel Pefianco Martin, 2025-09-30 This handbook serves as a comprehensive resource on English language education in the Philippines addressing a wide range of issues including ideologies multilingualism identities policies methodologies assessment teacher education and curriculum. Chapters cover a range of educational contexts from

Luzon to Mindanao islands from basic to higher education and from formal to non formal schooling This book upholds the think and do otherwise perspective by problematizing contemporary paradigms and practices that operate from naturalized ideas inherited from the American colonizers This includes repairing pedagogies that redress injustices experienced by historically marginalized groups and hoping for possibilities and approaches to teaching and learning English that are just equitable and inclusive The six sections in the Handbook bring up conditions for thinking and doing otherwise pointing to ways in which genuine changes can start to happen Scholars from diverse backgrounds come together in this handbook to take collective ownership of English language education in the Philippines This ownership does not mean ignoring and disposing of the country s colonial past but reclaiming English language education as an ongoing project instead This handbook likewise demonstrates that such a project makes it possible for wider audiences to see that Global South scholars from and in the Philippines also have much to teach the rest of the world about thinking and doing otherwise and by extension problematizing repairing and hoping Given its scope and breadth the handbook is an invaluable reference for students pre service and in service teachers teacher educators researchers and policymakers interested in English language education TESOL sociolinguistics and applied linguistics
