Uprooting University Apartheid in South Africa Teresa A. Barnes, 2018-12-07 South Africa continues to be an object of fascination for people everywhere interested in social justice issues postcolonial studies and critical race theory as manifested by the enormous worldwide attention given to the RhodesMustFall movement In this book Teresa Barnes examines universities complex positioning in the apartheid era and argues that tracing the institutional legacies left by pro apartheid intellectuals are crucial to understanding the fight to transform South African higher education A work of interpretive social history this book investigates three historical dynamics in the relationship between the apartheid system and South African higher education First it explores how the legitimacy of apartheid was historically reproduced in public higher education Second it looks at ways that academics maneuvered through and influenced national and international discourses of political freedom and legitimacy Third it explores how and where stubborn tendrils of apartheid era knowledge production practices survived into and have been combatted during the democratic era in South African universities

The Work of Repair Thomas Cousins, 2023-06-06 In the timber plantations in northeastern South Africa laborers work long hours among tall swaying lines of eucalypts on land once theirs In 2008 at the height of the HIV AIDS crisis timber corporations distributed hot cooked meals as a nutrition intervention to bolster falling productivity and profits But life and sustenance are about much more than calories and machinic bodies What is at stake is the nurturing of capacity across all domains of life physical relational cosmological in the form of amandla An Nguni word meaning power strength or capacity amandla organizes ordinary concerns with one s abilities to earn a wage to strengthen one s body and to take care of others it describes the potency of medicines and sexual vitality and it captures a history of anti colonial and anti apartheid struggle for freedom The ordinary actions coordinated by and directed at amandla do not obscure the wounding effects of plantation labor or the long history of racial oppression but rather form the basis of what the Algerian artist Kader Attia calls repair In this captivating ethnography Cousins examines how amandla as the primary material of the work of repair anchors ordinary scenes of living and working in and around the plantations As a space of exploitation that enables the global paper and packaging industry to extract labor power the plantation depends on the availability of creative action in ordinary life to capitalize on bodily capacity The Work of Repair is a fine grained exploration of the relationships between laborers in the timber plantations of KwaZulu Natal and the historical decompositions and reinventions of the milieu of those livelihoods and lives Offering a fresh approach to the existential ethical and political stakes of ethnography from and of late liberal South Africa the book attends to urgent questions of postapartheid life the fate of employment the role of the state in providing welfare and access to treatment the regulation of popular curatives the queering of kinship and the future of custom and its territories Through detailed descriptions Cousins explicates the important and fragile techniques that constitute the work of repair the effort to augment one s capacity in a way that draws on acknowledges and reimagines the wounds of history
