In addition, the book includes sample lessons you can easily implement regardless of your level of technical and photographic expertise. Key features of the resource include plans for delivering the No Outsiders message through assemblies and classes, allowing for a flexible approach; recommendations for picture books that can be used to support messages of diversity and inclusion; a scheme of work designed to meet the requirements of the Equalities Act 2010 and support teachers as they prepare to implement the new Relationships Education curriculum 2020. It is the responsibility of primary schools to promote equality and diversity. This is a vital resource for all teachers and trainee teachers as they prepare children for a life where diversity is embraced and there is no fear of difference.
