The United Arab Emirates has emerged in a few decades to sell itself as an enlightened modern liberal beacon in the midst of a dark and chaotic Arab world As the first country in the region to implement a Vision Abu Dhabi Vision 2030 the UAE quickly became a resounding success beyond its borders This is the bright side The dark side the UAE contributes to the stifling of democracies in Muslim countries When they are not waging war as in Yemen they interfere as no Arab power has done before in the affairs of other countries namely Algeria Egypt Syria Sudan Tunisia Abu Dhabi does not care about the Arab revolutions for ten years the country has engaged in a powder keg policy which heralds new dangers for the region s equilibrium S bastien Boussois is a researcher in political science and is associated with ULB Brussels and UQAM Quebec

United Arab Emirates Ibrahim Abed, Peter Hellyer, 2001 An authoritative and wide ranging book uncovering the rich heritage of the United Arab Emirates its political renaissance and its modern transformation into one of the most developed nations in the world **The United Arab Emirates** John Duke Anthony, 2002-03-19 The tale of the UAE s birth is an inspiring account of how the constituent polities were able to achieve unity despite a historical backdrop of failed Arab confederative experiments Two distinctive attributes of the birth and evolution of the United Arab Emirates were the non violent process of its establishment and the nature of the agreements wrought by the member states on the union s functioning and apportionment as well as what autonomy would be retained in the constituent emirates Undoubtedly certain external factors facilitated the UAE s nation building among which were a window of relative regional peace the support of Great Britain for the process and the desire of most of the Emirates neighbors for a successful outcome Equally important as these and other factors were the personality and skills of one man who is credited with being the real unifying force behind the federation His Highness Sheikh Zayed bin Sultan Al Nahyan **Archaeology of the United Arab Emirates** Daniel T.
