stares at you in dreams then meets you in waking nightmares Morgan and Brianna two sixteen year old Irish girls stumble upon a magical book hidden within the standing stones Believing local mythology is just an interesting tale about immortal killers vengeful gods and age old battles they take the stories lightly until the book mentions their ancestors and reveals the girls may be destined to fulfill an ancient prophecy Discovering a deadly rift once split the fae and mortal realms as the result of a forbidden love between the fae and druids the girls dedicate themselves to the book A covenant with the gods had been broken and the responsibility of restoring the worlds fell to the Gemini descendants of the illicit lovers These chosen caretakers of the elemental stones were challenged to protect the elements from the dark mystics With a vow to destroy all the chosen evil forces used black magic to release the daemon from the Underworld and the Gemini went into hiding while the battles to find them raged on through the ages Years later psychics and profilers all over the world are being targeted for death A historic pattern becomes obvious to a former FBI agent and an Irish psychic who forced to join forces are assigned to discover who or more precisely what is targeting psychics and why They also discover an improbable relationship linked to their past Fae mythology isn't in the FBI training manual but when a killer disappears into a solid stone wall it's time for Graeme to re-evaluate reality Recently the pragmatic FBI instructor has a hard time dealing with the woman's thoughts seeping into his mind Psychic or not none of this can be real More and more he's convinced she's the same girl who's been in his dreams since childhood Morgan only felt whole in her dreams when Graeme joined her There is no doubt Graeme is her old imaginary playmate What does it mean now that his thoughts are breaking through when she's awake Even if he refuses to accept their connection his presence in her mind is a comfort until their shared dreams turn into nightmares

Last Resort Beyond Last Resort Walter Herbst, 2025-04-29 John F Kennedy was an embattled president He was consistently at odds with the Joint Chiefs the CIA the radical right and Fascist groups in America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its military in retaliation The plan could have worked because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5 9 tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn t the United States invade Cuba after the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism

out of Europe by any means possible For over a decade leading up to JFK s Presidency they had collaborated with ex Nazis European Monarchists and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald
