Fluency and the California Standards Tests Lauren Elizabeth Craig, 2007 **Black Woman on Board** Donna J. Nicol, 2024 Offers a rare view inside the university boardroom uncovering the vital role Black women educational leaders have played in ensuring access and equity for all LONGLISTED 2025 PEN American Open Book Award WINNER 2024 Best Indie Book Award in Non Fiction History Politics and Social Sciences Black Woman on Board Claudia Hampton the California State University and the Fight to Save Affirmative Action examines the leadership strategies that Black women educators have employed as influential power brokers in predominantly white colleges and universities in the United States Author

Donna J Nicol tells the extraordinary story of Dr Claudia H Hampton the California State University CSU system's first Black woman trustee who later became the board's first woman chair and her twenty year fight 1974-94 to increase access within the CSU for historically marginalized and underrepresented groups Amid a growing white backlash against changes brought on by the 1960s Civil Rights and Black Power Movements Nicol argues that Hampton enacted sly civility to persuade fellow trustees CSU system officials and state lawmakers to enforce federal and state affirmative action mandates Black Woman on Board explores how Hampton methodically played the game of boardsmanship using the soft power she cultivated amongst her peers to remove barriers that might have impeded the implementation and expansion of affirmative action policies and programs In illuminating the ways that Hampton transformed the CSU as the affirmative action trustee this remarkable book makes an important contribution to the history of higher education and to the historiography of Black women's educational leadership in the post Civil Rights era
