The Medical Marijuana Guide Patricia C. Frye,2018-11-08 After decades of misinformation about cannabis largely due to the well funded propaganda campaign in the 1930s public attitudes toward the drug have finally begun to evolve In 1996 California became the first state to legalize medical marijuana and since then 28 other states 2 U S territories and the District of Columbia have followed suit Now countless patients are reaping the benefits of this amazing resource which has been used to effectively treat everything from chronic pain to debilitating illnesses In The Medical Marijuana Guide Cannabis and Your Health Dr Patricia Frye takes a direct no nonsense approach to educating readers about cannabis and its medicinal qualities After having retired from medicine Dr Frye was offered an opportunity to practice cannabis treatment Intrigued she educated herself on this emerging alternative and is now ready to share with others what she has learned In this book using humorous and touching stories from the many situations she has encountered in her practice over the years Dr Frye provides valuable information about the undeniable medicinal qualities of cannabis This book helps to de stigmatize this

misunderstood drug and educate readers on the history of cannabis and how it is used by the medical community today This is an accessible enjoyable resource that will not only entertain readers but may change their lives for the better Your Cannabis Experience Sandra Hinchliffe,2023-04-04 Great experiences with cannabis start with knowledge moderation and mindfulness In this book you ll learn the foundation to create a great cannabis experience for yourself and your guests Most people have learned how to use alcohol and prescription drugs appropriately but very few of us have been educated about using cannabis appropriately Cannabis education has been practically nonexistent due to the influences of legal prohibition and the stigma around this plant Your Cannabis Experience changes that This manual introduces the reader to cannabis history and botany basics and helps them prep for their first experience with cannabis making it enjoyable and safe It discusses how to shop at a legal cannabis dispensary as well as how to grow a cannabis plant With easy recipes for tinctures beverages and edibles as well as instructions for lotions potions and spa items this book guarantees a comfortable and respectable experience with cannabis for every novice entering this wonderful world This book is for every beginner young adults senior citizens and everyone in between and for anyone who hasn t touched cannabis since college and now finds themselves living in a state or country that has recently legalized cannabis or even for regular users desiring a refresher course in all things basic cannabis This colorful guide is also for people who have had less than satisfying or uncomfortable experiences with cannabis and are interested in learning more about this fabulous flower and trying again **The**
