First Among Equals By Jeffrey Archer

Steven Fielding

First Among Equals By Jeffrey Archer:

First Among Equals Jeffrey Archer, 2004-05-16 In Jeffrey Archer's bestselling *First Among Equals* Charles Seymour second born son will never be the earl like his father but he did inherit his mother's strength and the will to realize his destiny Simon Kerslake's father sacrificed everything to make sure his son's dreams come true Now it is Simon's chance to rise as high as those dreams allow Ray Gould was born to the back streets but raised with pride a quality matched by a sharp intellect and the desire to attain the impossible Andrew Fraser was raised by a soccer hero turned politician Now it's his turn for heroics whatever the cost From strangers to rivals four men embark on a journey for the highest stakes of all the keys to No 10 Downing Street Unfolding over three decades their honor will be tested their loyalties betrayed and their love of family and country challenged But in a game where there is a first among equals only one can triumph [First Among Equals](#)

Jeffrey Archer, 1993-10-15 Over three decades four ambitious MPs share passions of the race for power with their wives and families men and women caught up in a dramatic game [Mightier Than the Sword: A Novel by Jeffrey Archer](#)

(*Trivia-On-Books*) Trivion Books, 2016-09-09 Trivia on Book Mightier Than the Sword A Novel by Jeffrey Archer Take the challenge yourself and share it with friends and family for a time of fun Mightier than the Sword the fifth book of the Clifton Chronicles series is considered to be one of the best works of veteran author Jeffrey Archer Archer pens down a gripping plot that is capable of holding any reader's attention The book primarily highlights Harry Clifton's efforts to free Anatoly Babakov from the clutches of Stalin and to publish his book Uncle Joe for the entire world Marked with numerous twists Mightier than the Sword sets the stage for the last two books of the series You may have read the book but not have liked it You may have liked the book but not be a fan You may call yourself a fan but few truly are Are you a fan Trivia on Books is an independently curated trivia quiz on the book for readers students and fans alike Whether you're looking for new materials to the book or would like to take the challenge yourself and share it with your friends and family for a time of fun Trivia on Books provides a unique approach to Mightier Than the Sword by Jeffrey Archer that is both insightful and educational Features You'll Find Inside 30 Multiple choice questions on the book plots characters and author Insightful commentary to answer every question Complementary quiz material for yourself or your reading group Results provided with scores to determine status Promising quality and value come play your trivia of a favorite book [ThirdWay](#), 1986-08 Monthly current affairs magazine from a

Christian perspective with a focus on politics society economics and culture [More Jeffrey Archer. A Matter of Honour.](#)

[Shall We Tell the President. First Among Equals](#) Jeffrey Archer, 1990 [The Witchfinder General](#) Joyce Gould, 2016-01-14 Labour's octogenarian powerhouse weaves together eighty years of fascinating personal social and political history in her memoirs From Boots Girl to Baroness Joyce Gould boasts an impressive list of experiences and accomplishments Through sixty four years as a Labour Party member she has fought for universal equality for the right to a good standard of life for all and for the spirit of her beloved party The Witchfinder General is the political autobiography of the woman who notoriously

made Labour electable again nicknamed the Witchfinder General for her determination to end the debilitating discord of the 1980s by uncovering and removing the Militant Tendency and as such it is a tender and frank depiction of the party over the past six decades But more than that it is a social history as seen through the eyes of someone who lived it and a personal history of a pharmacist s apprentice turned political warrior who has dedicated her life to making the world a better place These memoirs document a long career in the fight for equality the building of the modern Labour Party and the creation of the Britain we know today The Centre of Things Christopher Harvie,2005-08-02 An historical and critical work on the role of fiction in British politics focusing on Disraeli Galt Eliot Trollope Wells and Cary among others This witty book is the first treatment of its subject for nearly seventy years Parliamentary Roles in Modern Legislatures Magnus Blomgren,Olivier Rozenberg,2015-02-13 This book gathers the most influential authors on role research and legislative studies to examine the different roles that MPs are playing in modern day legislatures It provides a comprehensive and critical overview of current research on legislative roles summarises previous research presents a large variety of methodological approaches and also explores the latest developing approaches to role theory The concept of political roles has become increasingly relevant for understanding contemporary political systems Parliamentary legislative and representative roles are professional roles that provide a way of connecting the individual legislator to their institution that can also explain a legislator s attitude and behaviour Drawing upon case studies with as much as 40 years of data that include Germany the Netherlands UK Austria Hungary Australia New Zealand and the European Parliament this book examines the link between representative roles different institutional settings and parliamentary behaviour It argues that the roles MPs play depend of who they think they should represent between their voters their party the people of their country and also themselves conflicts of loyalty can occur This book provides a framework to analyse MPs choices by searching both the reasons for their views about representation and the consequences of those views in parliament Parliamentary Roles in Modern Legislatures will be of strong interest to students and scholars of government legislative studies political parties comparative politics political sociology and deliberative democracy **Members of Parliament in Western Europe** Wolfgang C. Muller,Thomas Saalfeld,2013-10-31 Traditional comparative studies of parliaments have focused on constitutional and organizational characteristics of parliaments or differences in the historical contexts in which legislative assemblies have developed The motivations of individual Members of Parliament have been neglected This volume provides empirical work on legislative role orientations and behaviour in six West European parliaments Belgium Denmark Germany the Netherlands Norway and the United Kingdom All contributions present a wealth of empirical findings on parliamentarians role orientations in different institutional contexts **A State of Play** Steven Fielding,2014-04-24 A State of Play explores how the British have imagined their politics from the parliament worship of Anthony Trollope to the cynicism of The Thick of It In an account that mixes historical with political analysis Steven Fielding argues that fictional depictions of politics have played an important but

insidious part in shaping how the British think about their democracy and have helped ventilate their many frustrations with Westminster. He shows that dramas and fictions have also performed a significant role in the battle of ideas in a way undreamt of by those who draft party manifestos. The book examines the work of overtly political writers who have treated the subject, discussing the novels of H. G. Wells, the comedy series *Yes Minister* and the plays of David Hare. However, it also assesses how less obvious sources such as the films of George Formby, the novels of Agatha Christie, the *Just William* stories and situation comedies like *Steptoe and Son* have reflected on representative democracy. *A State of Play* is an invaluable distinctive and engaging guide to a new way of thinking about Britain's political past and present.

Selling Rights Lynette Owen, 2013-03-01 *Selling Rights* is a practical and accessible guide to all aspects of selling rights and co-publications throughout the world. The sixth edition of this authoritative handbook has been updated to include the changes which have taken place in technology, sales and distribution and legislation in the United Kingdom and overseas, especially relating to web 2.0. *Selling Rights* covers the full range of potential rights from English language territorial rights, book club and paperback sales through to serial rights, translation rights, dramatization and documentary rights and electronic publishing and multimedia. This fully revised and updated edition of *Selling Rights* includes the need to deal with the use of orphan works, the entry of more countries into membership of the international copyright conventions and initiatives to tackle electronic piracy, developments in the area of parallel importation, practical advice on rights management systems and on more efficient ways to promote and submit titles to potential licensees, developments in the licensing of translation rights, coverage of collective licensing systems for the use of extracts from copyright works, initiatives to make copyright works more accessible to the reading impaired, recent developments in e-publishing such as the new e-readers, downloadable audiobooks and the rise of the mobile phone, important distinctions such as whether e-books constitute sales or licences.

Lord Gnome's Literary Companion Francis Wheen, 1994 His review has got to be in by mid day tomorrow at about 9 pm his mind will grow relatively clear and until the small hours he will sit skipping expertly through one book after another and laying each one down with the comment God what tripe. Then suddenly he will snap into it. All the stale old phrases a book that no one should miss something memorable on every page jump into their places like iron filings obeying the magnet. Thus did George Orwell writing forty years ago in *Confessions of a Book Reviewer* describe the labours of a typical literary hack. Precious little has changed over the intervening decades, the servility of the satirical magazine *Private Eye*. Lord Gnome's *Literary Companion* assembles in thematic order the best of these columns to present an astringent, rude and funny survey of publishers and the published.

Description & Setting (Write Great Fiction) Ron Rozelle, 2005-03-03 *Build a Believable World* How essential is setting to a story? How much description is too much? In what ways do details and setting tie into plot and character development? How can you use setting and description to add depth to your story?
