## **First And Only Callaghan Brothers English Edition:**

Bartender Annie Dyer, My plans were simple an island escape to relax before starting my new life in New York I didn't plan on falling in love with a man who said he was just a bartender I didn't plan on my White Isle vacation turning so dark And the bartender it's not just my heart he holds in his hands It's my life **Samphire Shores** Annie Dyer, 2024-02-09 I could always ask my roommate for her advice but then I'd prefer to extract my own teeth I wasn't expecting my temporary housemate to be Freya My housemate was meant to be a lot taller bald and male not a wispy fairy like creature with a thing for incense and crystals Freya loved meditating I preferred to code Freya adored people I thought they should be online only except for special occasions Freya was always smiling I rationed my smiles for birthdays only But Freya was only smiling on the outside My irritating meditating meddling temporary housemate would do anything for anyone but never herself Those smiles concealed what was going on beneath something I first saw when she thought I wasn't looking then she let me see inside a little more I liked what I saw although I pretended not to She thought she had to be perfect I thought she was perfect already Maybe Freya wasn't my opposite Maybe she was the piece that fitted in perfectly to complete my future the one her tarot cards told me was complicated I just need to code myself into hers I want to be the man who makes her smile Forever

Sweetened Annie Dyer, 2023-08-30 Winning will never taste so sweet Lainey Green has got exactly what she wants the dream location for her equine therapy centre and a place to settle down and call home Unfortunately for Jake Maynard that home is the farm he desperately wanted and the alpaca owning farm running town Romeo isn't about to be on the welcoming committee for Lainey anytime soon Irritation turns into rivalry which morphs into something else entirely And pretty soon Jake Maynard is well on the way to hanging up his playboy ways for good Lainey is the only prize he's interested in winning Now all he has to do is persuade his feisty independent neighbour to feel the same about him Sweetened is a standalone in the Maynards of Severton series Love Rises Annie , The first time I saw Anya I was shirtless and holding an axe It was June the weather balmy and Anya was beautiful but that didn't matter because I was drowning in my own grief Anya wasn't meant to be my saviour I wasn't meant to be hers A perfect summer an idyllic island a stream of stolen nights All band-aids on an open wound If we were going to live again she deserved more than the fractured shards of the broken creature I'd become She deserved love Heat Annie Dyer, Steam isn't just for the kitchen Hot headed no social skills and she knew more swear words than a sailor I was beginning to think I had a thing for my boss It didn't matter that she barely knew the name of her employees or that she worked more hours than there were in a day running her restaurants as soon as I knew she liked to dance I wanted a taste of more than just her summer menu But what you want isn't always what you get and the courses fate had lined up weren't guaranteed to be tasty Heat is a sexy single dad standalone in the Callaghan Green series Keep a fan handy Copper Cliffs Annie Dyer, 2024-10-18 I was hoping for two things from my new job as the head teacher of Puffin Bay's primary school zero relationship complications and a quiet life where I could focus on my career Meeting Romy

McAllister widow of the town's maritime hero was unavoidable given that she had a daughter at my school. She was fierce and beautiful, becoming friends with her was going to make my life complicated but I did it anyway. She'd said she had a crush on me; I pretended I didn't feel the same. Life could've been simple if Romy hadn't delved too deep into what was going on in the private life of one of her friends. Nowhere does secrets like a small town, and when those secrets started to threaten Romy and her daughter, I chose to throw my chances of a quiet life away. Even if it meant I risked breaking my heart and hers in the process.

*Engagement Rate* Annie Dyer, 2023-08-31 He's gorgeous. He's successful. And he's technically my employer. Introducing Jackson Callaghan, who looks like no lawyer ever should. I shouldn't be noticing how he wears a suit or thinking about what his hair looks like in the mornings. Instead, I'm meant to be sticking to just three things: Growing my marketing business. Buying my cheating arrogant ex out of said business. Never getting involved with anyone I work with. Ever. Again.

London, England. The residence of the queen suited City boys and the man who won't give up. Jackson Callaghan. With his tattoos and a talent for charming, he's set his sights on one thing other than his career: me. Just one night won't hurt, will it? A simple hook-up isn't really breaking my own rules. But what happens when a hook-up leaves you hooked?

**ENGAGEMENT RATE** is a steamy office romance with no cheating and a happily ever after. It's the first book in the **CALLAGHAN GREEN SERIES** set in London, England.

**The Partnership** Annie Dyer, He's setting the rules. She's breaking them all. Playboy Poser. Partner. It's always the first two I've been known for. With the rest of my siblings in grown-up relationships, I decided it was time to prove I was more than just my reputation and take my partnership in my family's law firm seriously. Ambitious. Hardworking. No more spilling coffee on the photocopier. Forget my love life. I was taking a vow of celibacy, padlocking away the crown jewels. The bedroom was closed for business, and every other room, too. I was going to find who I was as an individual. Focus on just being me. Seph Callaghan. And then she turns up. This wasn't how it was meant to go.

**Notes on a Cowardly Lion** John Lahr, 2013-01-22 John Lahr's stunning and complex biography of his father, the legendary actor and comedian Bert Lahr. *Notes on a Cowardly Lion* is John Lahr's masterwork, an all-encompassing biography of his father, the comedian and performer Bert Lahr. Best known as the Cowardly Lion in MGM's classic *The Wizard of Oz*, Lahr was a consummate artist whose career spanned burlesque, vaudeville, Broadway, and Hollywood. While he could be equally raucous and polished in public, Lahr was painfully insecure and self-absorbed in private, keeping his family at arm's length as he quietly battled his inner demons. Told with an impressive objectivity and keen understanding of the construction and destruction of the performer, *Notes on a Cowardly Lion* is more than one man's quest to understand his father; it is an extraordinary examination of a life in American show business.

The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s, reaching its first full realization by modernist writers in the 1920s, and brought to its heyday during the Canadian Renaissance starting in the 1960s, the short

story has become Canada's flagship genre. It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood, Mavis Gallant, Alice Munro, Carol Shields and many others. Yet in contrast to the stature and popularity of the genre and the writers who partake in it, surprisingly little literary criticism and theory has been devoted to the Canadian short story. This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well-known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century. A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada, the US and Great Britain via representative examples completes it. The collection is geared both to specialists in and to students of Canadian literature. For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story. Reingard M. Nischik is professor and chair of American Literature at the University of Constance, Germany.
