practices Today we hear a lot about spiritual healing as a result of prayer the laying on of hands and healing services at church or revival meetings With all of this awareness most people still think their health is dependent upon some source other than themselves We must come to the understanding that many illnesses come not only from a lack of life giving food but from our ill thoughts and feelings about ourself others our Creator and the world in which we live These ill thoughts constrict the life force within us causing dis ease or lack of ease It is very interesting to note that the word ill derives from the words evil wrong or incorrect It is literally our evil disagreeable out of balance incorrect thoughts and feelings These feelings are located in your body and plays havoc with your health      **Hiring Veterans** Matthew J.
