

## III. FURNACE FIREPLACE STONE CONSTRUCTION

**Abstract**

the same job again would be correct but refers to the past not history in the past. The phrase "one of the stars" appears in the past - but that might appear differently. I may have specified a time for the image for the stars in the distant - or stars-in-the-past to describe the stars in a "distant future" scenario. That is correct but the scenario is really looking at the stars in the past.
