Five Similarities Between Nsfas:

Accessing Post-School Studies Venicia McGhie & Madge du Preez, 2017-12-01 *Accessing Post School Studies* A student's GPS to successful learning makes a valuable contribution to often problematic and pertinent South African higher education issues such as student access and success student learning student support and student engagement In this regard the authors draw on the works of higher education theorists such as Kuh Tinto Marton and S l j The book is primarily a helpful resource for South African learners in school students at universities life orientation teachers as well as parents of prospective university students It will especially assist students to adapt to the university environment Prof Victor N Teise Sol Plaatje University Kimberley South Africa

A Better Future Jacqueline Bhabha, Wenona Giles, Faraaz Mahomed, 2020-09-17 Policy makers advocates and scholars have long concentrated on the importance of equal access to primary and secondary education as a foundation for a democratic and just society Despite the growing importance of higher and specialist education in an increasingly technological and skill focused global market tertiary education has attracted much less attention And yet universities and colleges are epicentres of egregious disparities in access which impinge on traditionally marginalized communities such as racial minorities migrants indigenous populations and people with disabilities By drawing attention to this issue and assembling first rate material from scholars and policy makers across the globe this book performs an invaluable service for those interested in understanding and fighting a highly significant violation of educational opportunity and social justice
