- The suggested lesson packs contain lesson ideas, along with instructions and diagrams for a range of fun activities and games that teach various skills. Adapt the lessons to your class, extending or revising exercises, moving on when appropriate.
- Challenge confident children to test themselves within the bounds of the exercise e.g. by using their weaker foot only or taking shots first time.
- Develop children's skills and understanding as they play by asking, "What could be done differently to get a better outcome?" and having some children demonstrate skills to their classmates.

## Resources Needed:

- One football per child
- Cones
- Safety marker disc cones
- Bibs/Vests

## Space:

Use your judgement when setting up your space. If the space is too big then players won't have to focus on close control and awareness of other players; if it is too small then players will not be able to succeed and grow in confidence.
