

FREAK THE MIGHTY by Rodman Philbrick

EXPOSITION / CONFLICT

RIISING ACTION

Freak the Mighty is the story of Max Keno, a 5th grader who takes after his father, who is a very large in stature. Freak, looking the size of an elf, has trouble in school and was actually passing every grade. He has to contend learning disability caused with trauma from losing his mother to violence at a young age. However, when Max meets Kevin "Freak" Avery his life begins to change.

Kevin, nicknamed Freak, is extremely small for his age of only about 3 feet tall in 5th grade. He suffers from a physical condition that makes it difficult to walk and has big braces and crutches. Freak is extremely well-read and has an astounding vocabulary. Freak seems to know everything about everything! He is especially fond of literature and adventure stories such as those about "King Arthur". Both boys have difficulty navigating the world of middle school and strike up an unlikely friendship.

Max and Freak form a close bond and go on many adventures together. Max often carries Freak up on his shoulders which earns them the nickname "Freak the Mighty". Because together they are unstoppable. They help each other and defend all their friends together. Over time, Max learns to love his condition. One of Max and Freak's adventures leads them to the home of Izzy and Lorelle Lee, two ex-criminals who reveal that Max's dad is Kenny "Killer" Keno, in jail for murder.

CLIMAX / TURNING POINT

FALLING ACTION

RESOLUTION

Max's father killed his mother when he was a small boy. He has been in prison ever since and is up for parole. One night when Max is Lorelle, Kenny kidnaps him and forces him to come home to Izzy & Lorelle's house, where he ties him up and tells him that he was critically injured. When Max says that he knows Kenny killed his mother, he goes into a rage almost killing both Max and Lorelle. Kenny comes to the rescue just in time and outsmarts Kenny with a water gun!

Max's father is sent back to jail. However, their relief is short lived. Freak suffers a seizure and is rushed to the hospital. Max learns that Freak's story about a "Blonde" boy was just that - a story. He knew that he would not survive his condition, which is called Marfan syndrome. Before he passes away, he gives Max a blank notebook telling him to write about all their adventures together.

Max takes Freak's passing very hard. He is depressed for about a year. Finally, he summons the courage to take out the blank notebook that Freak gave him and begins to write. It is here when the reader realizes that the book we've been reading is just that: Max finally channeling his grief into writing about his and Freak's "unconquered" friendship and their epic adventures.
