Rubén Pelayo,2008-12-30 Master of magic realism distinguished journalist and film critic friend of world leaders ranging from Fidel Castro to Pres Bill Clinton Gabriel Garc a M rquez improbably emerged from obscure beginnings to become an author more beloved of readers worldwide than any other living writer His plots and protean characters plunge readers into the world of fable yet their universal appeal as this biography shows is deeply rooted in the particularity of Garc a M rquez s own idiosyncratic early life and his later wide travels all undertaken with the restless curiosity and zest for life that he manages to evoke in his readers The Classical Journal ,1811 **My Struggle for Peace, Volume 1 (1953-1954)**
Moshe Sharett,2019-03-19 The first volume of the former Israeli prime minister s journals from the nation s early years My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country s fragile armistice with the Arab states Replete with Moshe Sharett s candid comments on Israel s first generation leaders and world statesmen of the day the diary also tells the dramatic human story of a political career cut short the removal of an unusually sensitive dedicated and talented public servant My Struggle for Peace is above all an intimate record of the decline of Sharett s moderate approach and the rise of more activist militant trends in Israeli society culminating in the Suez Sinai war of 1956 The diary challenges the popular narrative that Israel s confrontation with its neighbors was unavoidable by offering daily evidence of Sharett s statesmanship

moderation diplomacy and concern for Israel's place in international affairs This is the first volume in the 3 volume English abridgement of Sharett's Yoman Ishi Personal diary Ma'ariv 1978 maintains the integrity flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not accessible at the time The volumes are also available to purchase as a set or individually The editors vastly improved on the Hebrew version by adding Sharett's speeches reports cabinet minutes and other sources to the text These additions make this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade Israel Studies Review
