However, if the line is connected to another horizontal line, then several children were produced, each indicated by a short vertical line connected to the horizontal line. The first child born appears to the left and the last born to the right.

- How many children did the first couple (couple in row I) have? **2**
- How many children did the third couple (couple in row III) have? **7**

5. Level I represent the first generation, level II represents the second generation.
