

# Computer Science Test

---

**Important:** The last administration of the GRE® Computer Science Test will be in April 2013. The test will be discontinued after the April 2013 administration. Scores will be reportable for five years.

All other GRE Subject Tests will continue to be administered.

## Overview

- The test consists of approximately 70 multiple-choice questions, some of which are grouped in sets and based on such materials as diagrams, graphs and program fragments.
- The approximate distribution of questions in each edition of the test according to content categories is indicated by the following outline.
- The percentages given are approximate; actual percentages will vary slightly from one edition of the test to another.
