**Landing the Job You Want** William Byham, Debra Pickett, 2010-08-11 You've looked at dozens of books that promise to help you get a job. This book is different. This book is written by an executive whose business is teaching managers how to interview job candidates. He knows what they're looking for and how you can successfully prepare for landing that job you really want. Through interactive and easy-to-follow exercises, *Landing the Job You Want* equips you to make your next job interview one of the most positive experiences of your life. Whether you're a recent college grad searching for a first job, a corporate veteran looking for that big promotion, an at-home mom starting a new career, or an experienced worker looking to move in a totally new direction, you will walk into interviews prepared and confident because you know how to identify the skills most important for a job, decide whether a job is right for you, present your skills with maximum impact, respond to difficult questions, perform well in simulations and tests, handle an ill-prepared interviewer, close an interview on a positive note, critique your own interview performance. Each exercise in *Landing the Job You Want* is designed to help you look within yourself to identify your strengths and your weaknesses. You'll learn how to quickly develop a portfolio of skills that match your ideal job, and you'll understand exactly what your interviewer is looking for in a candidate. You'll be ready to dazzle your interviewer with both your qualifications and your preparation. The result: The interview of a lifetime, one that leads to the job you've always wanted.

**Job Interview Questions and Answers** Robin Superhalk, 2020-10-17 Would you like to drastically improve your chances of getting a new job while mastering the process of a job interview? Have you ever thought if there is a perfect guide that will make you succeed every time? Would you like to have a tool that will tell you what to do when and how to do it? *JOB INTERVIEW QUESTIONS AND ANSWERS* is a complete book for people who want to master the process of a job interview, everything from A to Z. How many job interviews have you already had in your life? Some people had more, some people had less, but the main thing is that usually people don't know how to prepare for it, and more important than that, how to show everything they need to show for their future to get their so-desired workplace. It doesn't matter that much about what kind of job you are applying to. What matters is that you follow the exact steps of a successful job interview: good preparation, positive attitude, decent dressing, research, communication skills, and many other important aspects. There are some specific, proven-to-work job interview tricks and rules that you have to master in order to increase your success rate drastically. And it is not even that difficult. In this book, you can find: Typical interview process, All the categories of interview questions, All the techniques of interview answers, Mistakes to avoid, Sample of Q & A. What makes this book different from other job interview guides? Is this book good for all kinds of jobs? What is the main focus of this book? In this book, we managed to use most proven-to-work information and explain everything in the simplest way possible. This book covers separate parts and different aspects of a job interview, so you will have the ability to dive deep into each subject. *JOB INTERVIEW QUESTIONS AND ANSWERS* mostly focuses on office-type of job interviews, but the same rules and strategies apply to almost every other
