How To Be A Domestic Goddess:

How to be a Domestic Goddess Nigella Lawson, 2003 Nigella shows that there can be more feelgood mileage from running up a tray of muffins or baking a sponge cake than in almost any other cooking and that it's not actually hard. A domestic goddess has to maintain her cool when faced with pastry; it's true, but with Nigella's guidance, even shortcrust pastry can be pain-free. *How to be a Domestic Goddess* is the book that understands our anxieties, feeds our fantasies, and puts cakes, pies, pastries, preserves, puddings, bread, and biscuits back into today's kitchen and our lives. Everything from cup cakes to chocolate cakes, from brownies to bagels, from gooseberry cream crumble to double apple pie, from pizza to pistachio macaroons, scones and muffins to cheesecakes and steamed syrup sponge, from baklava to a Barbie cake, as well as children's cooking, Christmas baking, and other wonderful family festive treats. *How to Be Domestic Goddess* Header Nigella

Lawson, 2003-10-02 *How to be a Domestic Goddess* Maeve Bradbury, 2008 Do you know how to sew and knit? Can you fix a zipper or hem trousers? Can you arrive home fresh from the board meeting to organise dinner for eight with an hour's notice? Can you make your man's favourite cookies while doing the ironing? Can you look pristine and calm even when the soufflé has sunk, the dog across the road is chewing your washing, your man is flirting with the younger woman next door, and your party guests have arrived an hour early? Thought no, well, don't despair: here is all the information a wife needs to become a doyen of domesticity and perform these vital tasks with precision and effortless finesse. *How to be a Domestic Goddess* is a handbook to becoming the new superwoman. The well-selected, straightforward lessons presented here will smooth the transition, even for the sloppiest novice housewife, to domestic goddess status. **Feminist Television Criticism: A Reader** Brunsdon, Charlotte, Spigel, Lynn, 2007-12-01 Covers the area of feminist media criticism. This edition discusses subjects including alternative family structures, de-westernizing media studies, industry practices, Sex and the City, Oprah, and Buffy.

Domestic Modernism, the Interwar Novel, and E.H. Young Chiara Briganti, Kathy Mezei, 2016-12-05 *Domestic Modernism: the Interwar Novel and E. H. Young* provides a valuable analytical model for reading a large body of modernist works by women who have suffered not only from a lack of critical attention but from the assumption that experimental modernist techniques are the only expression of the modern. In the process of documenting the publication and reception history of E. H. Young's novels, the authors suggest a paradigm for analyzing the situation of women writers during the interwar years. Their discussion of Young in the context of both canonical and noncanonical writers challenges the generic label and literary status of the domestic novel, as well as facile assumptions about popular and middlebrow fiction, canon formation, aesthetic value, and modernity. The authors also make a significant contribution to discussions of the everyday and to the burgeoning field of homeculture, as they show that the fictional embodiment and inscription of home by writers such as Young, Virginia Woolf, Elizabeth Bowen, Ivy Compton-Burnett, Lettice Cooper, E. M. Delafield, Stella Gibbons, Storm Jameson, and E. Arnot Robertson epitomize the long-standing symbiosis between architecture and literature, or more specifically, between the house and the

novel **I Don't Know How She Does It** Allison Pearson, 2003-08-26 Delightfully smart and heartbreakingly poignant Allison Pearson's smash debut novel has exploded onto bestseller lists as The national anthem for working mothers Hedge fund manager wife and mother of two Kate Reddy manages to juggle nine currencies in five time zones and keep in step with the Teletubbies But when she finds herself awake at 1 37 a m in a panic over the need to produce a homemade pie for her daughter's school she has to admit her life has become unrecognizable With panache wisdom and uproarious wit I Don't Know How She Does It brilliantly dramatizes the dilemma of every working mom **Anxious Appetites** Peter Jackson, 2015-09-24 Despite government claims that food is safer and more readily available today than ever before recent survey evidence demonstrates high levels of food related anxiety among Western consumers While chronic hunger and malnutrition are relatively rare in the West food scares relating to individual products concerns about global food security and other expressions of consumer anxiety about food remain widespread Anxious Appetites explores the causes of these present day anxieties Looking at fears over provenance and regulation in a world of lengthening supply chains and greater concentration of corporate power Peter Jackson investigates how anxieties about food circulate and how they act as a channel for broader social issues Drawing on case studies such as the 2013 horsemeat scandal and fears about the contamination of infant formula in China in 2008 he examines how and why these concerns emerge Comparing survey results with ethnographic observation of consumer practice he explores the gap between official advice about food safety and people's everyday experience of food including a critique of ideological notions of consumer choice A captivating timely book which presents a new theory of social anxiety *The Usual Aunties* Paven Virk, 2011-03-05 Aunti ji noun a term sometimes used to address women older than oneself Ji is traditionally used after someone's name to show respect mainly by the communities of the Indian sub continent Somewhere in the city live three elderly South Asian aunties who have found themselves together in a refuge for abused women empty of memories and bereft of their families and friends Nearby a new Indian bride has arrived in the country only to find herself in a place that she is utterly unprepared for The Usual Aunties is a bitter sweet new comic drama that visits the lives of four women as they embark on an inspiring emotional and comic journey to overcome the past abuse and rediscover their sense of life love and happiness Exploring ideas of family and the cultural differences that exist between the East and West the Aunties struggle with popular Western culture and provide a hybrid cultural context which amusingly sits alongside the women's otherness and past pain The Usual Aunties is a celebration of all women of a particular age whose desires and struggles are too often forgotten **From Superwomen to Domestic Goddesses** Natasha Campo, 2009 This book examines the rise and fall of feminism in the public imagination in the last twenty years and explains why feminism failed me has become the catch cry of a generation Today many women turn their back on feminism because they feel betrayed by the promises of feminism Yet during the 1980s the popular ideal of the Superwoman offered a source of empowerment and pride for women and equality with men even having it all seemed

possible Through a close reading of popular culture sources this book shows how women s engagement with feminism has shifted over time and considers its future as a social movement *Postmillennial Trends in Anglophone Literatures, Cultures and Media* Soňa Šnircová, 2019-02-08 The book offers a collection of papers that draw on contemporary developments in cultural studies in their discussions of postmillennial trends in works of Anglophone literature and media The first section of the book Addressing the Theories of a New Cultural Paradigm comprises ten essays that present respectively performatist metamodernist digimodernist and hypomodernist readings of selected texts in order to test the usefulness of recent theories in explorations of the new paradigm in literary media and food studies The papers cover a wide variety of genres including the novel the film the documentary the cookbook the food magazine and the food commercial and present a number of themes which shed light on the nature of the new paradigm The second part of the volume Mapping the Dynamics of a New Sensibility offers a wider perspective and presents seven papers that search for evidence of a new sensibility in selected examples of postmillennial texts These contributions move beyond the frameworks of the theories explored in the first part in order to offer new perspectives in the contributors respective fields of interest
