**Forgotten** Jodie Sloan,2015-06-26 Sal has learned why Josh left her so long ago without any explanation It s not exactly what she thought it would be and in her mind it was another woman or a commitment issue What she learns instead is that he is a werewolf a man that turns into this creature once a month during the full moon Instead of shying away from it she embraced it and even asked him to change her into one of them He was reluctant at first but eventually her persistence paid off and they became more than just a couple they became a family They had no idea that a man was watching them as they changed for the first time showing off her baby bump and moving into the woods for her first hunt Josh has been very secretive about his past and even family life Sal believes that he is hiding something from her and has taken it upon herself to dig into his family tree Josh on the other hand feels that the past should be left where it is and never wants to speak of his family or of the past again Unfortunately these things tend to raise their ugly head at the wrong moments His love for her will be tested when she betrays him and brings to their doorstep a long lost family member It will be a sister named Sheila a woman that has been searching for her brother for a very long time It is a strained relationship between the two of them and even though Sal pries about their family neither one is willing to speak of it If she thought that becoming a werewolf was going to be her biggest obstacle she is about to find out that there is a lot more to Josh than just the change on the full moon Werewolf Erotic Romance Bundle 2 (Three BBW Paranormal Action Erotic Romance - Werewolf Mate Stories) Larissa

Coltrane,2013-11-25 Do you love erotic stories featuring BBW heroines and gorgeous gentle alpha male werewolves If so you will love this bundle featuring three erotic romances for a bargain price These short stories contain explicit sex between BBW and sexy werewolves and are intended for mature audiences only 20 500 word Includes Queen of the Wolf Pack Virgin for the Alpha Courtied by the Wolf Lawyer Queen of the Wolf Pack The epic short story of the forgotten Queen and gorgeous werewolf King The police have called Christine a freshly divorced curvy woman to help them by using her clairvoyant abilities to find out who has killed a local police officer and it turns out that the insight she receives could cost her life when a mysterious black car tries to kill her After being saved by another unfamiliar person she finds an answer to the mystery of her birth parents and why she was left alone in the forest when she was just three years old Her destiny will lead her to meet the King of The Protectors werewolf pack the guardians of the Earth Christine finds out that she is the lost Queen of the pack and the best way to activate her werewolf heritage is to mate with the gorgeous and gentle King Aengus At first she refuses to take responsibility for the destiny that is unfolding in front of her but she cannot refuse for long Virgin for the Alpha Will she sacrifice her virginity in order to escape from a threatening situation with a possible high reward Once again young curvy Lauren Outler has stayed late in her office to finish all the work that has been thrown on her shoulders Her job in the local bank has been the only bright spot in her life in recent times since she feels too insecure to go out and find a guy who can satisfy her fantasies after all she is still a virgin at the age of twenty one After a short break from calculating taxes the bank s alarm goes off and a gorgeous yet mysterious man halts her in the hall His name is Hector and he isn t a threat to her

security in fact he is a very gentle man with noble causes who needs help in his heist once it fails to go as he planned He offers her two and a half million dollars if she helps him escape and Lauren comes up with a plan They will hide in a secret vault on the last floor and wait till the situation becomes safe enough to leave the building Meanwhile she has a hard time accepting the supernatural powers that Hector claims to have as a result of his werewolf heritage After they lock themselves in the building they hear the police calling the chairman of the bank in order to see if anything is missing from the vault The only way to escape safely from the vault is if Hector uses his paranormal abilities to make a hole in the wall but the maximum of his abilities can be reached only by the sexual arousal that triggers his werewolf DNA It seems that Lauren has no choice She must sacrifice her virginity in order to escape the bank and secure her future with the werewolf Courtied by the Wolf Lawyer The most honorable thing she could do was to lose her honor Stockton s District Attorney the curvy Regina Mitchell has just found out that her boyfriend is cheating on her when she receives an emergency call from the Governor She has less than 48 hours to prepare an indictment for the corrupt director of a nuclear power plant who is under suspicion of committing environmental crimes When she thinks that the situation couldn t possibly get any worse she finds out that the director will be defended by a famous attorney Maximilian Blackwell who was dumped by Regina after a short relationship they had while they were students at Harvard Law School This bundle contains wild explicit sex between a lovely BBW and a sexy hero werewolf and is intended for mature audience
