Believers Foundations Training Manual Osmond Owusu,2016-09-30 The Believers Foundations Training Manual is a must study book for any newly born again believer in the Lord Jesus Christ The book is also strongly recommended study for any believer who wants to ensure their foundational roots in the Word of God grows deeper Many church groups do not have consistent training material for the newly born again Christian These are for the most part left to feed on scraps they could find here and there Those who provide any such material seldom address critical and pertinent questions the new babe in Christ may have The world is more complex and has unique challenging puzzles for the Christian faith especially for the new Christian This manual is designed to support the new Christian in the quest to seek the Lord Jesus from the very pages of the Holy Scriptures This

manual also equips the new believer to also not accept anything at face value but ask good questions for clarification This comes from the premise that the Holy Scriptures have the answers The believer is imbibed with the notion that the answers that the Lord Jesus has revealed can be known in the pages of the scriptures through diligent search For those of us who are older in the faith you may have some of your long held beliefs challenged by biblical textual evidence We all need this learning curve to help us grow Its a tremendous journey Come aboard For those who know it all this manual is not for you

Practical Ministry Training Manual Prince Mensah,2020-08-29 Jesus disciplined the twelve and the seventy through a unique method which seems to be missing in the Church and Bible Seminaries today Twenty first century Christians equate discipleship and equipping the saints with accumulating knowledge through bible study But our Lord Jesus Christ was more action oriented practical and his disciples learned by doing as he did He had them listen to him and observed after which they were sent out to preach the Kingdom heal the sick baptize new believers John 3 22 4 1 2 cast out demons albeit not always successfully Matthew 17 14 21 and Jesus used those opportunities to teach them even more He said follow me and for three years they had hands on ministry training A normal disciple of Jesus must not only know the scriptures but must be taught on how to apply the word of God and get results Many are aware that Jesus said those that believe in Him shall lay hands on the sick and they shall recover but several believers don t know how to go about it to see the desired results This book is written to give readers a clear easy to follow roadmap on how to minister Christ to others being it through personal evangelism healing the sick administering inner healing for the broken heart preparing and preaching sermon discipleship church planting and much more The truth of this book has been tried in tested for years in my ministry and in the ministry of several other I have trained through Pistis Bible Institute If you are interested to be equipped for ministry rather than just educated if your desire is to know the Lord Jesus and do His works as disciple and minister then this book is a must read for you
