Lunch With Buddha:

Lunch with Buddha Roland Merullo, 2012-11 Includes Reading group and discussion question guide **Driving Jesus to Little Rock** Roland Merullo, 2021-07 Driving Jesus to Little Rock fits with Merullo's other beloved quirky spiritual books a list that has been translated to over ten different languages Eddie Valpolicella is on his way from Massachusetts to Arkansas to give a talk on his novel Breakfast with Buddha when he picks up a mysterious hitchhiker Plainly dressed insisting that he's a fan of the author the hitchhiker claims to be Jesus the Jesus and accompanies Eddie on a five day road trip that challenges him in an amusing variety of ways Jesus plays tricks appearing and disappearing changing shape vacillating from stern teacher to affectionate friend and Eddie confused suspicious and wrestling with his own preconceived notions of spirituality very slowly realizes that he's being given precious guidance in the art of living Merullo raises deep philosophical questions without sounding preachy and provokes readers to reflect on life while also making them laugh A Little Love Story Roland Merullo, 2019-11-15 Selected as one of the 10 Wonderful Romance Novels by Good Housekeeping magazine A Little Love Story is a sometimes poignant sometimes hilarious tale of attraction and loyalty jealousy and grief It's a classic love story with some modern twists Janet Rossi is a very smart aide to the governor of Massachusetts but she suffers from an illness that makes her as she puts it not exactly a good long term investment Jake Entwistle is a few years older a carpenter and portrait painter also smart but with a shadow over his romantic history After meeting when Janet accidentally backs into Jake's antique truck they begin a love affair marked by courage humor a deep and erotic intimacy and modern complications Thoughtful restrained yet very sexy Roland Merullo captures what it feels like when you meet the one and what you're willing to do to hold onto that person wrote The New York Times *Naked Lunch* William S. Burroughs, 2007-12-01 Since its original publication in Paris in 1959 Naked Lunch has become one of the most important novels of the twentieth century Exerting its influence on the relationship of art and obscenity it is one of the books that redefined not just literature but American culture For the Burroughs enthusiast and the neophyte this volume that contains final draft typescripts numerous unpublished contemporaneous writings by Burroughs his own later introductions to the book and his essay on psychoactive drugs is a valuable and fresh experience of a novel that has lost none of its relevance or satirical bite Moments of Grace and Beauty Roland Merullo, 2019-05 Every day around the globe there are billions of acts of kindness courage generosity and grace but we rarely get to hear much about them It is easier to write about the evil in the world than about the good Writers who focus on violence greed ugliness and hypocrisy can appear more sophisticated more intelligent more mature more aware of the world's true nature Award winning author Roland Merullo recognizes these challenges to humankind as clearly as anyone but also believes they get more than their share of coverage and that cargo of bad news can act as an oppressive weight on the mind At the start of a recent gray cold New England winter Merullo decided to make a list of some of the remarkable acts he has witnessed and the generous kind and brave people he has had the good fortune to know Moments of

Grace and Beauty is intended to serve as a counterweight to the abundance of trouble in the news and is offered as evidence of the good will still present on earth

Buddha's Diet Tara Cottrell, Dan Zigmond, 2015-12-22 There's a lot you probably don't know about the Buddha For one the real Buddha was thin And before he became the Enlightened One he was a pampered prince named Siddhartha He tried dieting once and didn't like it any more than you do Instead he sought a middle way between unhealthy overindulgence and unrealistic abstinence The instructions he gave his monks about eating more than 2 500 years ago were surprisingly simple Fast forward to today and modern science confirms what Buddha knew all along It's not what you eat that's important but when you eat You don't need to follow the latest fads or give up your favorite foods You just have to remember a few guidelines that Buddha provided guidelines that believe it or not will help you lose weight feel better and stop obsessing about food Sure Buddha lived before the age of doughnuts and French fries but his wisdom and teachings endure providing us with a sane mindful approach to achieving optimum health
