The Movie Lovers' Club Cathleen Rountree,2011-02-09 Large screen TVs and full line DVD services have liberated movie lovers from fear of parking and stale popcorn Across the country movie lovers are staying in and creating their own version of book clubs but without the homework The Movie Lovers Club the only guide for movie nights with friends motivates readers to form their own Lovers Club clubs to explore the more than 100 excellent film suggestions summaries critical reviews and insider anecdotes Author Cathleen Rountree offers a year s worth of must see classic contemporary independent and foreign films and provocative discussion questions to keep the cinematic conversation lively With everything readers need to know to start a Movie Lovers Club the book s selections run the gamut and include powerful films such as To Kill a Mockingbird Henry and June and Real Women Have Curves Whether you need advice for a political group a girls night out party or a band of indie film devotees movie watching reaches new depths with ideas on where when and how to launch a film group

Popular Cinemas in East Central Europe Dorota Ostrowska,Francesco Pitassio,Zsuzsanna Varga,2017-06-30 The continued interest in the social and cultural life of the former Warsaw pact countries looking at but also beyond their socialist pasts encompasses a desire to know more about their national cinemas Yet despite the increasing consumption of films from these countries via DVD VOD platforms and other alternative channels there is a lack of comprehensive information on this key aspect of visual culture This important book rectifies the glaring gap and provides both a history and a contemporary account of East Central European cinema in the pre WW2 socialist and post socialist periods Demonstrating how at different historical moments popular cinema fulfilled various roles for example in the capacity of nation building and adapted to the changing markets of a morphing political landscape chapters bring together experts in the field for the definitive analysis of mainstream cinema in the region Celebrating the unique contribution of films from Hungary the Czech Republic Czechoslovakia and Poland from the award winning Cosy Dens to cult favourite Lemonade Joe and from 1960s Polish Westerns to Hollywood influenced Hungarian movies the book addresses the major themes of popular cinema By looking closely at genre stardom cinema exhibition production strategies and the relationship between the

popular and the national it charts the remarkable evolution and transformation of popular cinema over time The continued interest in the social and cultural life of the former Warsaw pact countries looking at but also beyond their socialist pasts encompasses a desire to know more about their national cinemas Yet despite the increasing consumption of films from these countries via DVD VOD platforms and other alternative channels there is a lack of comprehensive information on this key aspect of visual culture This important book rectifies the glaring gap and provides both a history and a contemporary account of East Central European cinema in the pre WW2 socialist and post socialist periods Demonstrating how at different historical moments popular cinema fulfilled various roles for example in the capacity of nation building and adapted to the changing markets of a morphing political landscape chapters bring together experts in the field for the definitive analysis of mainstream cinema in the region Celebrating the unique contribution of films from Hungary the Czech Republic Czechoslovakia and Poland from the award winning *Cosy Dens* to cult favourite *Lemonade Joe* and from 1960s Polish Westerns to Hollywood influenced Hungarian movies the book addresses the major themes of popular cinema By looking closely at genre stardom cinema exhibition production strategies and the relationship between the popular and the national it charts the remarkable evolution and transformation of popular cinema over time *Women Who Changed the World*

Candice Goucher, 2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women s lived experiences Learning how women changed the world will change the ways the world looks at the past *Women Who Changed the World Their Lives Challenges and Accomplishments through History* features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective The women featured in this four volume set cover the full sweep of history from our ancestral forbearer Lucy to today s tennis phenoms Venus and Serena Williams Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists Each biography follows a standardized format recounting the woman s life and accomplishments discussing the challenges she faced within her particular time and place in history and exploring the lasting legacy she left A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study High interest sidebars accompany many of the biographies offering more nuanced glimpses into the lives of these fascinating women *The Shelf* Phyllis Rose, 2014-05-13 Phyllis Rose embarks on a grand literary experiment to

systematically read her way through a random shelf of books in the library LEQ LES fairly sure that no one in the history of the world has read exactly this series of novels An original take on literary taste and habits by the acclaimed author of *Parallel Lives* Rose after a career of reading from syllabuses and writing about canonical books decided to read like an explorer She wanted to sample more democratically the actual ground of literature Casting herself into the untracked wilderness of the New York Society Library s stacks she chose a shelf of fiction almost at random and read her way through it

What results is a spirited experiment in Off Road or Extreme Reading Rose's shelf of roughly thirty books has everything she could wish for a remarkable variety of authors and a range of literary ambitions and styles The early nineteenth century Russian classic A Hero of Our Time by Mikhail Lermontov is spine by spine with The Phantom of the Opera by Gaston Leroux Stories of French Canadian farmers sit beside tales about aristocratic Austrians California detective novels about a novel from an Afrikaans writer who fascinates Rose to the extent that she ends up watching a YouTube video of his funeral A joyous testament to the thrill of engagement with books high and low The Shelf leaves us with the feeling that there are treasures to be found on every library or bookstore shelf Rose investigates her own discoveries with exuberance candor and while pondering the many questions her experiment raises and measuring her discoveries against her own inner shelf Exhilarating adventurous original Phyllis Rose's The Shelf is a reminder of what reading and writing are all about Azar Nafisi author of Reading Lolita in Tehran

Elemental World Cinema ,2025-07-24 This is the first book length study on the relationship between cinema and the classical elements It centres on earth fire water and air to offer new perspectives on the intersection of film and the nonhuman in a time of climate emergency Mobilising a range of analytical frameworks including early film theory Indigenous epistemologies and environmental sciences the essays in this collection trace the complex agencies of the elements as they intersect with the material properties of the cinematic image across fiction animation documentary and experimental film In doing so the book positions elemental cinema as a multifaceted process and experience that might encompass attempts to think with alongside or even like the elemental all the while recognising the limitations of our anthropocentric systems of meaning

Lived Moments Glen W. Norton,2025-01-07 From the everyday concerns of Umberto D to the spiritual traces of Ma nuit chez Maud revelatory moments are intrinsic to the fabric of cinematic modernism Lived Moments conceptualizes the path from Italian Neorealism to the French New Wave as a trajectory unique in its expressions of the indeterminacy and contingency of daily life Drawing on film theory and criticism as well as the history of phenomenological thought Glen Norton

offers illustrative readings of cinematic scenes exemplifying this modernist evolution in canonical films by Vittorio De Sica Roberto Rossellini Michelangelo Antonioni Jean Luc Godard and Eric Rohmer Norton describes how these filmmakers structure their characters lifeworlds via moments grounded by chance and multiplicity each having the potential to lift the opaque veil of inwardness Experienced in their immediacy these moments offer the viewer glimpses of a character s potential individuation As such they embody the difficult private and perhaps even incommunicable choices made in the midst of self reflection self awareness and self definition Lived Moments deepens our understanding of the history of cinematic modernism throwing new light on the canonical movements of Neorealism and the New Wave while also demonstrating the importance of lived moments for cinema more broadly The book stands as a model of how film analysis and film philosophy can be symbiotic rather than separate ways of thinking about cinematic experience Dennis Kelly Aloysia

Rousseau,2024-08-01 Dennis Kelly explores Kelly s unusual career path and sheds light on his eclectic approach to the arts characterised by a refusal to write texts that people can fit within neat categories This is the first monograph on Kelly s work for stage and screen and brings to light his essential contribution to contemporary British drama and his huge range of work including his rise to international fame with Matilda the Musical Drawing on Kelly s published and unpublished texts his work in production reviews original interviews with directors actors and with Kelly himself as well as critical theory Dennis Kelly examines and reappraises key motifs in his work such as his preoccupation with violence the complex relationship between the individual and the community or his emphasis on storytelling It also offers new insights into overlooked aspects of Kelly s work by setting out to explore his traumatic narratives and his post romanticism In keeping with Kelly s wish never to repeat himself this study offers multiple critical entries into his plays television series and films drawing on moral and political philosophy trauma studies studies in humour feminist theory and film studies Part of the Routledge Modern and Contemporary Dramatist series Dennis Kelly is addressed to students and scholars in Drama Theatre and Performance as well as theatre practitioners and offers in depth analysis of one of the most unique and challenging voices in contemporary British playwriting and screenwriting
