Grade: 10

Marking Scheme

(i) The teachings of this Hadith, it could be said, which are the hallmarks of being a Muslim, are belief in God and the Last Day. Candidates could then stress upon the need to show care and generosity to others around them and they could give examples of a Muslim speaking kindly to others or not taking sides in disputes but being fair and seeing guests to the door etc. References to these or similar examples and even to other Hadiths will show that Islam promotes good will towards all humankind.

A clear understanding from the candidate of what modesty is will help them get to the top level.

Answers could also reflect upon how Muslims should hold others in high regard irrespective of their faith or position in life. Practical examples like refraining from idle talk etc. could be given in support of the answer.

(ii) When a Muslim acts modestly he will always think of others before himself and that in turn eliminates social problems and earns the individual the respect of others. Lowering ones gaze in the
