National Journal Day :

National Journal ,2010 *The High Profile Black Republican Candidacies of Lieutenant Governor Michael Steele, Secretary of State Kenneth Blackwell and Hall of Famer Lynn Swann* James White,2019-05-31 Specifically the purpose of this study is to evaluate the impact of three statewide black Republican candidacies in 2006 in Maryland Ohio and Pennsylvania During the 2006 midterm election cycle the Republican Party recruited and gave strong support to three high profile African American statewide candidates Secretary of State Kenneth Blackwell and former Pittsburgh Steelers star and television sports broadcaster Lynn Swann campaigned for their state s governorship in Ohio and Pennsylvania respectively Lieutenant Governor Michael Steele vied for a vacated United States Senate seat in Maryland After five decades of miserable levels of support from black voters and numerous initiatives to increase its share of the African American electorate the GOP estimated that credible black Republican candidacies would substantially improve its image among African American voters and thus garner a larger share of the black vote State Representative James White Statutory Construction and Interpretation ,2010-06-15 This book reviews the primary rules courts apply to discern a statute s meaning However each matter of interpretation before a court presents its own challenges and there is no unified systematic approach used in all cases While schools of statutory interpretation may vary on what factors should be considered all approaches start if not necessarily end with the language and structure of the statute itself In analyzing a statute s text courts are guided by the basic principle that a statute should be read as a harmonious whole with its separate parts being interpreted within their broader statutory context *Official Congressional Directory* United States.
