**The Institutional Foundations of East Asian Economic Development** Y. Hayami,M. Aoki,1998-12-13 The International Economic Association was foremost in reviving professional economists concern with institutions and their impact in publications such as Economic Institutions in a Dynamic Society 1989 This volume concentrates on the states whose development has been characterised as the East Asian miracle in the light of the performance of other economies starting from similarly low income levels including India China African states especially Nigeria and Latin American countries including Brazil This comprehensive comparative survey in economic history demonstrates the external shocks and interacting domestic forces which constituted the growth dynamic Nobel Laureates Kenneth Arrow and Douglass North and past President of the IEA the late Michael Bruno are among the thirty four highly distinguished specialist contributors

**Information, Knowledge, and Technology for Teaching and Research in Africa** Dennis Ocholla,Omwoyo Bosire Onyancha,Aderonke Olaitan Adesina,2024-06-01 This book focuses on human machine interaction and user interfaces for teaching and research in Africa The importance of digital humanities DH is recognized by focusing on the theoretical and historical development of DH in the context of LIS education and how infrastructure influences DH programs initiatives in respective LIS schools These findings and recommendations provide valuable knowledge for developing the domain and establishing potential areas of collaboration in DH research and curriculum The book explores and explicates what the Diffusion of Innovations theory is about as well as the characteristics of innovators The Diffusion of Innovations theory is relevant to the LIS field which has widely adopted numerous innovations to automate a wide range of administrative and technical processes build databases and networks and provide better services to library users The diffusion and adoption of technology have become imperative for the efficient management of modern libraries and LIS as a field in general Existing literature that is related to the adoption use and challenges facing the development of clinical informatics in teaching hospitals in developing countries is reviewed It is also revealed that hospitals in developing countries should embrace the use of tools for effective healthcare delivery and that nursing informatics is very significant in nursing practice In addition the role of academic institutions and the use of information and communication technologies ICTs by librarians for information and knowledge IKM in such institutions in the Fourth Industrial Revolution 4IR is addressed The book acknowledges the marginalization of indigenous knowledge and that there is a need for Africa to develop and accelerate strategies for enhancing indigenous knowledge for future generation and ICT is poised to play a crucial role **Engineering and Contracting ,1919** **Islands of History** Marshall Sahlins,2013-03-06 Marshall Sahlins centers these essays on islands Hawaii Fiji New Zealand whose histories have intersected with European history But he is also concerned with the insular thinking in Western scholarship that creates false dichotomies between past and present between structure and event between the individual and society Sahlins s provocative reflections form a powerful critique of Western history and

anthropology    **Dong Zhongshu, a 'Confucian' Heritage and the Chunqiu Fanlu** Michael Loewe,2011-04-11 The assumption that a system described as Confucianism formulated by Dong Zhongshu became accepted as the norm during the Western Han dynasty 202 BCE 9 CE is challenged and his supposed authorship of the Chunqiu fanlu examined    **Famous Assassinations in World History** Michael Newton,2014-04-17 Representing a unique reference tool for readers interested in history criminology or terrorism this book provides the most complete and up to date coverage of assassinations of key figures throughout history and around the world Effecting the death of a political figure a leader of a nation or a public figure usually captures people s attention But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual Famous Assassinations in World History An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often complex motivating factors behind each event and better understand historical and contemporary social unrest Each entry identifies the assassination target and summarizes that person s significance discusses the person s assassination including the factors that led up to it and its political and cultural contexts and explains the powerful effects of the assassination in world history The encyclopedia also includes various sidebars that spotlight relevant individuals groups and movements and present intriguing factoids such as the final disposition of notorious assassins weapons and various films and novels that were inspired by famous assassinations In addition 23 primary source documents provide accounts of assassinations throughout world history    *On the Road of the Winds* Patrick Vinton Kirch,2017-11-07 The Pacific Ocean covers one third of the earth s surface and encompasses many thousands of islands that are home to numerous human societies and cultures Among these indigenous Oceanic cultures are the intrepid Polynesian double hulled canoe navigators the atoll dwellers of Micronesia the statue carvers of remote Easter Island and the famed traders of Melanesia Decades of archaeological excavations combined with allied research in historical linguistics biological anthropology and comparative ethnography have revealed much new information about the long term history of these societies and cultures On the Road of the Winds synthesizes the grand sweep of human history in the Pacific Islands beginning with the movement of early people out from Asia more than 40 000 years ago and tracing the development of myriad indigenous cultures up to the time of European contact in the sixteenth to eighteenth centuries This updated edition enhanced with many new illustrations and an extensive bibliography synthesizes the latest archaeological linguistic and biological discoveries that reveal the vastness of ancient history in the Pacific Islands    **The Wet and the Dry** Patrick Vinton Kirch,1994 Scholars and researchers have long believed that the ability to irrigate is crucial to the development of civilizations In this book archaeologist Patrick Kirch challenges this hydraulic hypothesis and provides a more accurate and detailed account of the role of wet and dry cultivation systems in the development of complex sociopolitical structures Examining research on cultural adaptation and ecology in Western Polynesia and utilizing extensive data from a variety of important South Pacific sites Kirch not only reveals how particular systems of production developed within the constraints

imposed by environmental conditions but also explores the tension that arises between contrasting productive systems with differential abilities to produce surplus He shows that the near total neglect of short fallow dryland cultivation as well as arboriculture or tree cropping has seriously distorted the picture that archaeologists and anthropologists have of agricultural intensification and its relation to complex social structure This work likely to become a classic will be central to all future discussions of the ecology and politics of agricultural intensification

**Bokujinkai: Japanese Calligraphy and the Postwar Avant-Garde** Eugenia Bogdanova-Kummer,2020-07-20 The Bokujinkai or People of the Ink was a group formed in Kyoto in 1952 by five calligraphers Morita Shiry Inoue Yichi Eguchi Sgen Nakamura Bokushi and Sekiya Yoshimichi The avant garde movement they launched aspired to raise calligraphy to the same level of international prominence as abstract painting To this end the Bokujinkai collaborated with artists from European Art Informel and American Abstract

Expressionism sharing exhibition spaces with them in New York Paris Tokyo and beyond The first English language book to focus on the postwar history of Japanese calligraphy Bokujinkai Japanese Calligraphy and the Postwar Avant Garde explains how the Bokujinkai rerouted the trajectory of global abstract art and attuned foreign audiences to calligraphic visualities and narratives

*Hawaiki, Ancestral Polynesia* Patrick Vinton Kirch, Roger C. Green, 2001-03-15 The power of an anthropological approach to long term history lies in its unique ability to combine diverse evidence from archaeological artifacts to ethnographic texts and comparative word lists In this innovative book Kirch and Green explicitly develop the theoretical underpinnings as well as the particular methods for such a historical anthropology Drawing upon and integrating the approaches of archaeology comparative ethnography and historical linguistics they advance a phylogenetic model for cultural diversification and apply a triangulation method for historical reconstruction They illustrate their approach through meticulous application to the history of the Polynesian cultures and for the first time reconstruct in extensive detail the Ancestral Polynesian culture that flourished in the Polynesian homeland Hawaiki some 2 500 years ago Of great significance for Oceanic studies Kirch and Green's book will be essential reading for any anthropologist prehistorian linguist or cultural historian concerned with the theory and method of long term history

*A Decision Framework for Interventions to Increase the Persistence and Resilience of Coral Reefs* National Academies of Sciences, Engineering, and Medicine, Division on Earth and Life Studies, Board on Life Sciences, Ocean Studies

Board, Committee on Interventions to Increase the Resilience of Coral Reefs, 2019-09-29 Coral reefs are critical to ocean and human life because they provide food living area storm protection tourism income and more However human induced stressors such as overfishing sediment pollution and habitat destruction have threatened ocean ecosystems globally for decades In the face of climate change these ecosystems now face an array of unfamiliar challenges due to destructive rises in ocean temperature acidity and sea level These factors lead to an increased frequency of bleaching events hindered growth and a decreasing rate of calcification Research on interventions to combat these relatively new stressors and a reevaluation of longstanding interventions is necessary to understand and protect coral reefs in this changing climate Previous research on these methods prompts further questions regarding the decision making process for site specific interventions A Decision Framework for Interventions to Increase the Persistence and Resilience of Coral Reefs builds upon a previous report that

reviews the state of research on methods that have been used tested or proposed to increase the resilience of coral reefs This new report aims to help coral managers evaluate the specific needs of their site and navigate the 23 different interventions described in the previous report A case study of the Caribbean a region with low coral population plagued by disease serves as an example for coral intervention decision making This report provides complex coral management decision making tools identifies gaps in coral biology and conservation research and provides examples to help individuals and communities tailor a decision strategy to a local area    [Quinine's Remains](#) Townsend Middleton,2024-04-30 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more What happens after colonial industries have run their course after the factory closes and the fields go fallow Set in the cinchona plantations of India s Darjeeling Hills Quinine s Remains chronicles the history and aftermaths of quinine Harvested from cinchona bark quinine was malaria s only remedy until the twentieth century advent of synthetic drugs and it was vital to the British Empire Today the cinchona plantations and the roughly fifty thousand people who call them home remain Their futures however are unclear The Indian government has threatened to privatize or shut down this seemingly obsolete and crumbling industry but the plantation community led by strident trade unions has successfully resisted Overgrown cinchona fields and shuttered quinine factories may appear the stuff of postcolonial and postindustrial ruination but quinine s remains are not dead Rather they have become the site of urgent efforts to redefine land and life for the twenty first century Quinine s Remains offers a vivid historical and ethnographic portrait of what it means to forge life after empire    **The Truth of Myth** Tok Thompson,Gregory Schrempp,2020-02-03 The Truth of Myth is a thorough and accessible introduction to the study of myth surveying the intellectual history of the topic methods for studying myth cross culturally and emerging trends Readers will encounter insightful commentaries on such questions as What is the relation of mythology to religion To science To popular culture Did the events recounted in myths actually occur Why does the term myth have so many contradictory definitions and connotations Offering serious students with an intellectual toolkit for launching into this fascinating field the book is especially useful in conjunction with case studies of individual mythological traditions    [Annual Report](#) United States.
