Balancing Reading and Language Learning Mary Cappellini, 2024-11-01 Teaching reading to children in a language that is not their own is a daunting task *Balancing Reading and Language Learning A Resource for Teaching English Language Learners K 5* provides the strategies proven to be effective in a balanced reading program while at the same time valuing the native culture and first language skills of the English language learner Combining the best classroom practices and research on teaching reading and language acquisition author Mary Cappellini integrates effective reading instruction with effective language instruction Through the framework of a balanced reading program she emphasizes the importance of constantly listening for and assessing children s language and reading strategies during read aloud shared reading guided reading and independent reading including literature circles Included in this text are How to set up an environment that will allow all English language learners to succeed Stages of English language proficiency and stages of reading development how they compare and how to use them to assess and plan for individual children A focus on tapping into children s prior knowledge in their primary language while teaching reading in English and using Spanish English cognates to help develop academic language A collection of in depth lessons and mini lessons based on children s language proficiency and reading strategy needs with ongoing assessment teacher reflection and with an emphasis on choosing the right books to match their reading and language level How to manage numerous guided reading groups with children of all stages of reading and language proficiency Thematic planning with sample units for primary and upper grades to support academic language and meet content standards Ideas for literacy evenings school tours and other events to involve parents with the learning community Extensive resources numerous forms and checklists observation sheets planning sheets literature response sheets focus sheets for shared and guided reading and more Regardless of how many or how few ELL students a teacher has this invaluable resource helps them meet the challenges and reap the rewards of teaching children to read as they learn the language More Than Guided Reading Cathy Mere, 2005 Is there too much emphasis on guided reading in primary classrooms It s a question that many educators like kindergarten teacher and literacy coach Cathy Mere are starting to ask Guided reading provides opportunities to teach students the strategies they need to learn how to read increasingly challenging texts but Cathy found that she needed to find other ways to help students gain independence While maintaining guided reading as an important piece of their reading program teachers need to offer students opportunities during the day to develop as readers to learn to choose books to find favorite genres and authors and to talk about their reading In More

Than Guided Reading Cathy shares her journey as she moved from focusing on guided reading as the center of her reading program to placing children at the heart of literacy learning not only providing more time for students to discover their reading lives but also shaping instruction to meet the needs of the diverse learners in her classroom By changing the structure of the day Cathy found she was better able to adjust the support she was providing students allowing time for whole class focus lessons conferences and opportunities to share ideas as well as reading from self selected texts using the strategies skills and understandings acquired in reader s workshop The focus lesson is the centerpiece of the workshop It is often tied to a read aloud and connected to learning from the previous day helping to build skills extend thinking and develop independence over time This thoroughly practical text offers numerous sample lessons questions for conferences and ideas for revamping guided reading groups It will help teachers tweak the mix of instructional components in their reading workshops and provoke school wide conversations about the place of guided reading in a complete literacy curriculum
