[They'll Fight Over It When You're Dead](#) Dave Munson, 2025-07-01 Dave Munson's wild near death journey from teacher to founder of Saddleback Leather is a testament to resilience, faith, and the relentless pursuit of meaningful work, proving that the best adventures are the ones you never planned. When Dave Munson set out to create the greatest leather bag in the world, he had no idea he would be creating one of the most respected and recognized leather brands in the world at the same time. From dodging hitmen in Mexico to getting launched into the air by a raging bull living in one of the most dangerous cities in the world with Blue, his beloved black Lab, and even accidentally working for the mafia, it came together. Will your family fight over your business when you're dead? Will the kids of your customers fight over what you sold them when your customer is dead? If not, read the true and crazy story of how Dave Munson started one of the strongest leather brands in the world. He has sometimes been referred to as the Steve Jobs of the leather world. Maybe Clint Eastwood meets Indiana Jones. In *They'll Fight Over It When You're Dead*, you'll discover how to build a brand that people will love, trust, and fight over when you're dead. A different way of thinking about why you do what you do. Why perseverance and a good sense of humor is the key to overcoming setbacks. Healthy ways to think about your failures. Saddleback Leather is more than a brand; it's a faith-based mission-driven company that puts people first. So jump right in and figure it out along the way that's where the best adventures begin.
