The Swamp Fox Scott Aiken, 2012-11-15 As one of the Patriot leaders in the Carolinas the partisan campaign conducted by Brigadier General Francis Marion and his irregular force during the American Revolution prevented South Carolina from completely succumbing to British control during the period between the capture of Charleston in May 1780 and the start of Major General Nathanael Greene s campaign to recover the Southern Colonies in December 1780 During substantial segments of this period he alone held eastern South Carolina from the British and became known as The Swamp Fox for his exploits and elusiveness in harassing the British with his guerilla tactics Upon the arrival of Greene s Continental Army of the Southern Department Marion s forces then reverted in part to an important supporting role in South Carolina for the duration of the war He later assisted in the establishment of the authority of the State of South Carolina and contributed to its post conflict termination If General Marion had not taken action during the American Revolution there is a good possibility that eastern South Carolina would have succumbed to British intent That coupled with the British occupation of Charleston may have provided the British with the requisite momentum needed to conquer the South Thankfully General Marion s call to action both militarily and politically prevented such momentum from existing The multifaceted aspect of the American Revolution serves as an excellent case study for the conflicts of the twenty first century joint and combined

operations civil war insurgency counterinsurgency global superpowers civil military relations this conflict s got it all Many of Marion s partisan actions were forerunners of today s tactics showing his great innovativeness and foresight as a military leader His incessant activities diverted British and Loyalist forces inflicted British and Loyalist casualties supported operations of the Continental Army during its Southern Campaign and sustained the American Revolution in South Carolina He was extremely effective across the range of military operations from guerilla warfare to storming forts He was equally inept in what today would be considered information operations and even participating in the linear tactics of the day in pitched battles Such similarity makes Marion s partisan campaign worth study by current military and political leaders Aiken s portrayal of Brigadier General Marion s partisan actions describes the forerunners of tactics common of today s global security environment tactics used by and against United States forces *Armor*, 2003

What Lessons Can Be Drawn From U.S. Riverine Operations During The Vietnam War Major David J. Spangler, 2014-08-15 This study examines U S riverine force operations in the Vietnam War to determine why the force was established how and why it evolved and what significance it held for the war as a whole This study begins with Operation Game Warden continues through Mobile Riverine Force operations and ends with the completion of the SEALORDS campaign The impetus for this research arose from the current debate in Washington as to whether or not the U S military has a real need for riverine forces and if those forces should be stood up today Looking back through history gives an opportunity to view past riverine warfare conducted by the American military and determine the contributions such operations have made to the overall conduct of wars This study shows that riverine operations have been crucial to success in certain environments in the past and points to their possible use in similar environments today This study measures the effect of U S riverine operations in Vietnam and evaluates the contribution this type of force made to our war effort in that environment This study promotes the use of Task Force 194 which conducted the SEALORDS campaign as the model for establishing U S riverine forces today This study points out that the nucleus of a riverine force must be maintained doctrine modernized and crew currency maintained in order to have any reasonable expectation for success at the outset of future riverine conflicts *Deadly Fighting Skills of the World* Steve Crawford, 1999-08-19 From the Russian spetsnaz to U S Navy SEALs Crawford records some of the most dangerous and fantastic exploits and examines the skills and weaponry used by these legendary warriors 100 illustrations 80 photos

Technology Development for Army Unmanned Ground Vehicles National Research Council, Division on Engineering and Physical Sciences, Board on Army Science and Technology, Committee on Army Unmanned Ground Vehicle Technology, 2003-02-01 Unmanned ground vehicles UGV are expected to play a key role in the Army s Objective Force structure These UGVs would be used for weapons platforms logistics carriers and reconnaissance surveillance and target acquisition among other things To examine aspects of the Army s UGV program assess technology readiness and identify key issues in implementing UGV systems among other questions the Deputy Assistant Secretary of the Army for Research and

Technology asked the National Research Council NRC to conduct a study of UGV technologies This report discusses UGV operational requirements current development efforts and technology integration and roadmaps to the future Key recommendations are presented addressing technical content time lines and milestones for the UGV efforts **Public Affairs** William M. Hammond,1988 This book examines the tensions and controversies that developed as the war lengthened and the news media went about their traditional tasks The first of two volumes on the subject it draws upon previously unavailable Army and Defense Department records to interpret the role the press played during the war foreword **Public Affairs** William M. Hammond,1988 United States Army in Vietnam CMH Pub 91 13 Draws upon previously unavailable Army and Defense Department records to interpret the part the press played during the Vietnam War Discusses the roles of the following in the creation of information policy Military Assistance Command s Office of Information in Saigon White House State Department Defense Department and the United States Embassy in Saigon Lippincott's Monthly Magazine ,1893
