economically but politically and socially as well of President Eisenhower's modern interstate highway system in America. With that system and the infrastructure that supports it now in a state of decline and decay, what's the best path for the future at a time of enormous fiscal constraints? Should California politicians plunge ahead with plans for a high speed rail that every expert says despite the allure will go largely unused and will never pay back the massive investment while at this very moment potholes go unfilled all across the state? What path is best for emerging countries to keep pace with dramatic economic growth for their part? What are the social and financial costs of gridlock in our cities? Features Approximately 675 signed articles authored by prominent scholars are arranged in A to Z fashion and conclude with Further Readings and cross references. A Chronology helps readers put individual events into historical context, a Reader's Guide organizes entries by broad topical or thematic areas, a detailed index helps users quickly locate entries of most immediate interest, and a Resource Guide provides a list of journals, books, and associations and their websites. While articles were written to avoid jargon as much as possible, a Glossary provides quick definitions of technical terms. To ensure full well rounded coverage of the field, the General Editor with expertise in urban planning, public policy, and the environment worked alongside a Consulting Editor with a background in Civil Engineering. The index, Reader's Guide, and cross references combine for thorough search and browse capabilities in the electronic edition. Available in both print and electronic formats. Encyclopedia of Transportation is an ideal reference for libraries and those who want to explore the issues that surround transportation in the United States and around the world.

Grand Theft Auto Alan Spitzer, Alison Spitzer, 2011 When General Motors and Chrysler declared bankruptcy in 2009 and immediately targeted thousands of dealerships for closure, tens of thousands of jobs and billions of dollars were on the line. Staring down two of the largest manufacturers in the world as well as President Obama's Automotive Task Force, a determined triumvirate of car dealers banded together and went to Washington D.C. to make their voices heard. Alan and Alison Spitzer's fast paced memoir takes readers behind the scenes as citizen's lobbyists traverse throughout all of the major corridors of power in the nation's capital to make their case and bring justice to thousands of small businesses across the country.
