

Active Reading Log

- As we read excerpts from *Walden*, please keep a reading log of aphorisms (brief statements that express general principles or truths about life) used by Thoreau to convey his observations.
- Split your paper in half (hot-dog style)
- On the left (your left), write the aphorism (don't forget quote marks and page numbers!)
- On the right, you will write if you agree/disagree with the statements AND why.
