From Out In The Cold La Witt:

From Out in the Cold L. Witt, 2015-08-12 Neil Dalton's foundation is already cracking. Grief, guilt, and PTSD have ruled his life since a terrible crime tore his world apart last year, and he's dreading a holiday visit with the family he simultaneously needs and resents. Then someone from his past shows up and rattles that shaky foundation right out from under him. First a war nearly destroyed Jeremy Kelley, then his family threw him out when he needed them the most. Now he's barely holding on emotionally. He spends his last dollar to get to Chicago and prays his former best friend won't leave him out in the cold. Neil and Jeremy spend the holidays with Neil's family in their hometown of Omaha. They struggle to deal with families' flashbacks and feelings that haven't even begun to fade since their last failed attempt at more than friends. As they try to repair their fractured psyches and rebuild damaged bridges, they rely on each other more than ever, but they can't deny the mutual attraction that's existed since before they were both emotionally battered and scarred. If they couldn't make it work back then, how in the world can they pull it off now.

Love After Loss L.A. Witt, When tragedy steals away a partner, it's hard to imagine ever finding or wanting to find love again. But even after loss, love finds a way. After December, Tim didn't come to the retreat for widowers looking for love, and neither did Alex. But maybe, just maybe, love has found them. *From Out in the Cold*: Neil's parents know he's gay, but they refuse to let him talk about it. They have no idea he can't tell them about the man he lost to a senseless act of violence or the connection he's rekindled with his first love. For the Living After Jay's wife dies suddenly, he's overcome with guilt. He never had the chance to be honest with her. Or with anyone except the sweet, compassionate funeral director, New Hand Garrett, who always thought he'd outlive his younger husband. Fate had other plans, though, and now he's starting over. This book is part of the Bluewater Bay series but can be read as a standalone.

The Walls Between Hearts Sixty-one and single again, Gene is done with love. So is twice-widowed Terry. The spark between them, though, has other plans. This book is the sequel to *The Master Will Appear* but can be read as a standalone.

Wash Out: M/M Contemporary Military Romance L.A. Witt, 2023-02 Casey Olson has always known he was destined to be a Navy SEAL, and the best day of his life was when he was accepted into training. The worst day was when a snapping bone ended his dream. After three combat tours in five years, Logan Carter left the Marines and self-destructed. Now he's sober and, thanks to a forgiving ex with friends in high places, has a promising job as a civilian contractor. All he has to do is stay on the rails and out of a bottle, even when his demons won't leave him alone. Logan likes his job, and he really likes the gorgeous man at the next desk. Casey tries not to check Logan out, but who is he kidding? From the start, despite their best efforts, neither man can resist the other. Sizzling chemistry leads to sex so hot they can both almost forget why they're stuck in this office to begin with. It would be perfect except Logan can't stop reliving wars he'll never forget, and Casey can't stop grieving the SEAL he'll never be. And they'll never have a future together until they can make peace with their pasts. *Wash Out* is the seventh book in the Anchor Point M/M military series. Fans of Annabeth Albert, S.E. Jakes, and redemption and hurt/comfort will fall for Logan.
