**Internet Lesbian and Gay Television Series, 1996-2014** Vincent Terrace, 2015-05-23 Created around the world and available only on the Web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The third of five volumes on Internet TV series this book covers 335 alphabetically arranged gay and lesbian programs 1996 2014 giving casts credits story lines episode descriptions websites dates and commentary A complete index lists program titles and headings for gay lesbian bi sexual transgender and drag queen shows Masculinity in Lesbian "Pulp" Fiction Paul Thompson, 2024-06-28 This book looks specifically and in depth for the first time at masculinity in cheap lesbian themed paperbacks of the two decades after WW2 It challenges established critical assumptions about the readership and sets the masculinity imagined in these novels against the masculinity crisis of the era in which they were written The key issue of these novels is couplehood as much as sexuality and the instability of masculinity leads to the instability of the couple Thompson coins the term heteroemulative to describe the struggle that both heterosexual and homosexual couples have in conforming to heteronormativity As several of these novels have been republished and remain in print they have taken on a new relevance to issues of sexuality and gender in the twentyfirst century and this study will attract readers within that area of interest A valuable read for sociologists studying gender roles and social historians of the cold war period in the United States It is suitable for readers of all academic levels from undergraduate through postgraduate to scholars and researchers but also for a general readership

**The Global Vampire** Cait Coker, Donald E. Palumbo, C.W. Sullivan III, 2020-01-24 The media vampire has roots throughout the world far beyond the shores of the usual Dracula inspired Anglo American archetypes Depending on text and context the vampire is a figure of anxiety and comfort humor and fear desire and revulsion These dichotomies gesture the enduring prevalence of the vampire in mass culture it can no longer articulate a single feeling or response bound by time and geography but is many things to many people With a global perspective this collection of essays offers something new and different a much needed counter narrative of the vampire s evolution in popular culture Divided by geography this text emphasizes the vampiric as a globetrotting citizen du monde rather than an isolated monster **Shameless** Arlene Stein, 2006-07 Shame a powerful emotion leads individuals to feel vulnerable victimized rejected In Shameless noted scholar and writer Arlene Stein explores American culture s attitudes toward shame and sexuality Some say that we live in a world

without shame But American culture is a curious mix of the shameless and the shamers a seemingly endless parade of Pamela Andersons and Jerry Falwells strutting their stuff and wagging their fingers With thoughtful analysis and wit Shameless analyzes these clashing visions of sexual morality While conservatives have brought back sexual shame by pushing for abstinence only sex education limitations on abortion and prohibitions of gay lesbian civil rights progressives hold out for sexual liberalization and a society beyond the closet As these two Americas compete with one another the future of family life the right to privacy and the very meaning of morality hang in the balance Neo-Victorian Lesbians on Screen Sarah E. Maier,Rachel M. Friars,2025-09-09 In Neo Victorian Lesbians on Screen Maier and Friars argue that the on screen portrayal of lesbians situated in the long nineteenth century across various countries is at the very least a dual task the imperative project of revoicing lesbian silence and female companionship is complicated by the lack of and or complex representation of such women in the past The adaptations with varying degrees of success carefully manipulate the gaze of the viewer to illustrate both how crucial the act of looking proves to be for lesbian attachment in these films and how the viewer s own gaze changes the way the lesbian is represented Maier and Friars consider the adaptations awareness of the audience and the ways in which the films implicitly acknowledge the stakes behind bringing the lesbian to life as it were in visual media Because screen adaptations disrupt historical distance by literally picturing Victorian subjects via a medium they did not have film adaptations of novels and biofictions and original screenplays are challenged by the lesbian subject s vivid presence on screen The lesbian is no longer a contained neo Victorian presence in the othered nineteenth century but her very existence on screen signals her effervescent modernity which filmmakers alternately embrace or reject **Bad Girls** Rhonda Reeds, Why settle for just one sexy girl when you can have two Nora was finished with her deadbeat girlfriend and what better way to celebrate this new found sexual freedom than with the first two women she encounters her beautiful accountant and the sexy delivery lady Things get even more exciting when a very special toy is added to spice up their sweaty encounter An Erotic Lesbian Menage Seduction For adults only lesbian lesbian fiction lesbian erotica lesbian erotic romance lesbian romance erotica erotic romance ff **Unchanging Witness** S.
