The Graduation by Maya Angelou

"The Graduation" is an inspirational narrative of Maya Angelou's 8th class graduation. She uses really powerful descriptive words to explicate her milieu for illustration. Unlike the white high school Lafayette County Training School distinguished itself by holding neither lawn, nor hedges, nor tennis tribunal, nor mounting Hedera helix. Its two edifices (chief schoolroom, the grade school and place economic sciences) were set on a soil hill with no fencing to restrict either its boundaries or those of surrounding farms. There was a big sweep to the left of the school which was used alternately as a baseball tribunal. (Angelou 1)

Angelou describes the utmost differences from the white school and hers. At this point in the narrative, Angelou is turning more and more aroused about her graduation, along with her household and friends. The town was highly supportive of the 8th class classes' graduation. All was apparently good until Mr. Donleavy walked onto the phase and began to sabotage the intelligence and high rational capacity of the full school. He continued to connote that merely the white school was worthy of new scientific discipline equipment, and merely foreground their athletic ability. Angelou began to chew over her being. Her ideas were dark and dreary, until Henry Reed began to sing. He delivered his address with power and assurance, and Angelou's religion and self-image was restored.

Response Paragraph One

Angelou explains that inequality that existed in 1940s Stamps, Arkansas is still a really important job in today's universe. Throughout the essay, she gives first-class illustrations of this, such as, Donleavy had exposed us. We were amahs and husbandmans, jack of all tradess and washwomans, and anything higher that we aspired to was ludicrous and assumptive. Then I wished that Gabriel Prosser and Nat Turner had killed all white folks in their beds and that Abraham Lincoln had been assassinated before that sign language of the Emancipation Proclamation and that Harriet Tubman had been killed by that blow on her caput and Christopher Columbus had drowned in the Santa Maria. (Angelou 6) By this point, Angelou feels really baffled about whom she is. She goes on to believe that no affair what she does, her race will ever be seen as less than equal. After a few proceedings of her beguiling some less than elating ideas through her caput, she hears Henry Reed get down to give his valedictorian address. The address was more than words, and it inspired Angelou. She began to see a different side of Henry Reed ; he spoke strongly as if Mr. Donleavy had ne'er been at that place.

Response Paragraph two

Angelou's elaborate account of her graduation reminds me of my ain graduation. The more I read, the more I found similarities. My graduation was really meaningful to me, and like Angelou I was expecting the twenty-four hours that I was able to walk across the phase and have my sheepskin I had spen

Phillis Wheatley's civil rights advocacy as well as the similarities between Caged Bird and Harriet Jacobs' Incidents in the Life of a Slave Girl and Paul Lawrence Dunbar's poetry. The Paris Review's Christopher Cox reminds readers of how revolutionary Angelou's autobiography was when it was published and recounts the comments Angelou made on her work in an interview with George Plimpton. Four original essays by Amy Sickels, Pamela Loos, Neil Heims, and Robert C. Evans provide valuable context for readers new to Angelou's work. Sickels discusses the historical events that surround Angelou's life, the civil rights, black power, and black arts movements, as well as the emergence of black women's literature with the first publications of Toni Morrison, Nikki Giovanni, Alice Walker, and Lucille Clifton. Loos provides a survey of the major pieces of criticism on Caged Bird, paying special attention to the book's early reception and how it fits in the autobiographical genre and slave narratives, as well as issues of race, gender, aesthetics, and identity. Neil Heims discusses the struggle for a black identity through readings of both Caged Bird and James Baldwin's If Beale Street Could Talk. Finally, Robert C. Evans examines the role that both formal and informal education play in the young Maya's maturation. The collection also includes ten previously published essays that examine Caged Bird through a variety of lenses. Critics examine the character of young Maya, noting how her rootlessness contributes to her perseverance and adaptability, as well as how Angelou's narrative technique allows her to recount the details of incredible life without being controlled by them. The book's treatment of sexual abuse is also investigated in the larger context of other black women's narratives of sexual abuse. Other critics attend to Caged Bird's place in the genre of ethnic autobiography and the particular challenges it presents to teachers seeking to expose students to multicultural literature, the childhood roots of Angelou's political activism, the influence of blues music on the narrative's structure, and the young Maya's relationships with the black community, literature, and the women in her life. **Maya**

Angelou's Life In a Fly Edgar Wollstone, Maya Angelou aka Marguerite Johnson was a civil activist award-winning author and a legendary poet. Her fame still shines on her memoir *I Know Why the Caged Bird Sings*. Angelou is considered to be the voice of black community. Her words echoed the sufferings and roared for their suppressed silence. She was honored with numerous awards, is still praised for her touching works, and a voice which overcame her struggles life had thrown at her. Her works are the portrayal of her own personal experiences. She gave life to her works by her raw approach of writing. There was a longing for freedom and a penetrating voice for her own race. Her life was a series of overwhelming incidents that even suppressed her voice for a long period. The iconic lady who became a mother during her teenage years has bestowed some life-changing works the English Literature has witnessed. This book throws light on the inspiring life journey of this prolific writer and iconic personality. [Our Lives, Our Worlds](#) Richard M.
