The imperfect tense

The indicative imperfect tense in Spanish is used to communicate actions that happened in the past. Here we first review the imperfect tense and its uses, and then the use of the imperfect and the preterit in the same sentence. You may want to review Chapters 12 and 13, which include the uses and the conjugations of the preterit.

The imperfect tense is used to indicate actions, events, or situations that took place at nonspecific time, or that happened several times or continuously in the past.
