Grandson Graduation Messages:

Connie'S Message—Smile! Jack B. Blount,2018-05-03 I wrote this book for two reasons both of which are tightly intertwined First is the fact that my daughter Connie and I discussed writing this book together while she was a freshman at the University of Kentucky After her death I needed to accomplish that goal we had set together to share our faith in God with others who were not fortunate to have been brought up in a Christian home Second is the fact that I know Satan was controlling the drunk driver who was responsible for Connies death Therefore I want to honor God by sharing my faith that Connie is in heaven Satan took Connies life in this world but God gave Connie eternal life in heaven Through faith in Jesus Christ we will someday be in heaven together again The Bible is the most published book in the world by far at over nine billion copies Yet I acknowledge that the Bible is not the easiest place for someone new to Christian theology to begin a journey with God in our modern science dominated politically correct culture Therefore I have captured a lifetime of study and discussions about the Bible and shared it with you in this book in the hopes it will make you aware of what God offers everyone

Angel Bumps Candace Joy,2021-07-20 Angel Bumps Love Taps from Heaven is my very first collection of my personal experiences and others with angels These experiences are genuine and messages from heaven Angels are messengers from God who come to us in many forms to deliver His message God used his sense of humor and this unique way of making me aware of angels surrounding me experiencing angel bumps What are angel bumps God works in the most mysterious ways to get our attention In my case it was angel bumps renaming goose bumps They were God s way of getting my attention we all know the sensation of goose bumps where our hairs stand up on end We get them from being chilled or because we are fearful of something In my case my experience with them was a very warm peaceful and a loving sensation They had a defined pattern of three a spiritual number used throughout the scriptures of the bible Angel bumps would begin in my arms travel into my legs and then into my face In many cases a repeat of the pattern of three My entire body would fill up with the abundance of the ultimate feeling of happiness
