Renaissance Humanism, Volume 3 Albert Rabil, Jr., 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas *A Strange and Formidable Weapon* Marion Girard, 2008-06-01 The advent of poison gas in World War I shocked Britons at all levels of society yet by the end of the conflict their nation was a leader in chemical warfare Although never used on the home front poison gas affected almost every segment of British society physically mentally or emotionally proving to be an armament of total war Through cartoons military records novels treaties and other sources Marion Girard examines the varied ways different sectors of British society

viewed chemical warfare from the industrialists who promoted their toxic weapons while maintaining private control of production to the politicians who used gas while balancing the need for victory with the risk of developing a reputation for barbarity. Although most Britons considered gas a vile weapon and a symptom of the enemy's inhumanity, many eventually condoned its use. The public debates about the future of gas extended to the interwar years, and evidence reveals that the taboo against poison gas was far from inevitable. *A Strange and Formidable Weapon* uncovers the complicated history of this weapon of total war and illustrates the widening involvement of society in warfare.

The Process of Dramaturgy Scott R. Irelan, Anne Fletcher, Julie Felise Dubiner, 2010-01-01 *The Process of Dramaturgy: A Handbook* is a guide to dramaturgy for students. Its practical approach is to committing acts of dramaturgy and contains exercises, models, and examples of how the dramaturg works to make his or her thoughtful and creative contributions to a theatrical production from pre-production work through the rehearsal process. The book provides specific exercises, examples, and models to assist the student or emerging dramaturg in developing the ability to 1. apply critical methodologies among them literary theory to production 2. better communicate with directors, designers, and playwrights within the context of rehearsal and production. It includes a case study for analysis: Neil Simon's *Biloxi Blues*.

Renaissance Thought and Its Sources Paul Oskar Kristeller, 1979 *Representing an extraordinary lifetime of scholarship*, *Renaissance Thought and Its Sources* offers a systematic account of major themes in Renaissance philosophy, science, and literature. Here, in some of Paul Oskar Kristeller's most comprehensive and ambitious writings, is an exploration of the distinctive trends and concepts of the Renaissance grounded in detailed historical investigation.

The Palgrave Handbook of African Traditional Religion Ibigbolade S. Aderibigbe, Toyin Falola, 2022-05-20 *The Palgrave Handbook of African Traditional Religion* interrogates and presents robust and comprehensive contributions from interdisciplinary experts and scholars. Offering a range of perspectives and opinions through the prism of understanding the past about African Traditional religions and more importantly capturing their dynamics in the present and projecting their sustainability and relevance for the future, this volume is an essential resource for knowledge and understanding of African Traditional religions in the global space of religious traditions.

[Sacrifice your love \[electronic resource\]](#) L. O. Aranye Fradenburg, *Sacrifice Your Love* develops the idea that sacrifice is a mode of enjoyment that our willingness to sacrifice our desire is actually a way of pursuing it. Fradenburg considers the implications of this idea for various problems important in medieval studies today and beyond.

,1989-05 **Guardians of the Humanist Legacy: The Classicism of T.S. Eliot's Criterion Network and its Relevance to our Postmodern World** Jeroen Vanheste,2007-07-30 In recent scholarly work T S Eliot has usually been associated with cultural elitism and political conservatism or even with proto fascism and anti-Semitism This book proposes a different view During the Interbellum Eliot and his review The Criterion were part of an international network of intellectuals that shared an open minded Europeanness Authors like T Mann Benda Ortega y Gasset Curtius and Hofmannsthal emphasized their common European roots and shared cultural legacy Their classicism stands in the European tradition of humanism and has remained highly relevant Classicist ideas about literature education and human culture in general continue to inspire contemporary humanist thinkers as the second part of this book demonstrates by discussing the work of Ferry Todorov Steiner Scruton Toulmin and others

Musical Theory in the Renaissance CristleCollins Judd,2017-07-05 This volume of essays draws together recent work on historical music theory of the Renaissance The collection spans the major themes addressed by Renaissance writers on music and highlights the differing approaches to this body of work by modern scholars including historical and theoretical perspectives consideration of the broader cultural context for writing about music in the Renaissance and the dissemination of such work Selected from a variety of sources ranging from journals monographs and specialist edited volumes to critical editions translations and facsimiles these previously published articles reflect a broad chronological and geographical span and consider Renaissance sources that range from the overtly pedagogical to the highly speculative Taken together this collection enables consideration of key essays side by side aided by the editor's introductory essay which highlights ongoing debates and offers a general framework for interpreting past and future directions in the study of historical music theory from the Renaissance

My Search for Meaning Laurence C Jeffrey,2024-11-04 The text My search for meaning was inspired by the author's early curiosity about life's meaning and his reflection on several worldly experiences traversing the continents of North and South America Europe Asia and Africa His interest in and studies of western academic philosophy provides the schema that brings to light the crux of his discovery and the text is intended to share with the reader the author's understanding of life The author hopes that by reading this text it would inspire others to explore philosophical ideas in a broader context

The Call of Conscience Michael J. Hyde,2001 This study considers the

relationship between the phenomenon of conscience and the practice of rhetoric as it relates to one of the most controversial issues of our time euthanasia The author offers an extensive treatment of Heidegger s and Levinas philosophical investigations of conscience

Nineteenth-Century Lutheran Theologians Matthew L. Becker, Günter Frank, Ute Lotz-Heumann, Barbara Mahlmann-Bauer, Johannes Schilling, Günther Wassilowsky, Siegrid Westphal, Tarald Rasmussen, Mathijs Lamberigts, Bruce Gordon, David M. Whitford, 2015-12-09 This collection of essays a companion volume to the book Twentieth Century Lutheran Theologians Vandenhoeck Ruprecht 2013 examines important nineteenth century figures from the perspective of contemporary European and North American scholars Each essay provides an overview of the life and central ideas of a key Lutheran Protestant theologian who has had a significant impact on theological reflection down to the present The focus here is on those thinkers who were active between 1799 the year when Schleiermacher s Speeches appeared and the First World War These are individuals who deserve repeated examination whose insights are still worth pondering today and whose theological positions help us to understand better where contemporary theology has come from Karl Barth All of the essays were initiated by the journal Lutheran Quarterly in order to assess our theological heritage as we move further into a new millennium The goal of the authors each a leading theologian has been to describe a given thinker s life and vocation and how that person s work continues to impact theology today

International Handbook of Comparative Education Robert Cowen, Andreas M. Kazamias, 2009-08-22 A big project like this Handbook means that you incur debts and not only to your authors and your publisher As editors we along with our colleague Elaine Unterhalter who edited the section on postcolonialism would like to thank most warmly those authors who delivered on time and who did not fuss but just got on and did a r rate job We would also like to thank all authors who did deliver which was almost everyone we asked We know that some of our authors worked in very dif cult private circumstances as they were nishing their chapters and we hope the publication of the Volumes will later be for them a happy reminder of dif culties and disasters overcome The only sad theme is that some very close colleagues with whom we were wo ing and for whom we had the greatest respect and liking became very ill and died while the volumes were being prepared We decided to ask for copyright permissions to publish something of theirs These permissions were graciously given by two major journals and with the agreement also of our publishers Springer Rolland Paulston and Terry McLaughlin have examples of their writing in this Handbook

[Art for People's Sake](#) Rebecca Zorach, 2019-03-28 In the 1960s and early 1970s Chicago witnessed a remarkable flourishing of visual arts associated with the Black Arts Movement From the painting of murals as a way to reclaim public space and the establishment of independent community art centers to the work of the AFRICOBRA collective and Black filmmakers artists on Chicago s South and West Sides built a vision of art as service to the people In Art for People s Sake Rebecca Zorach traces the little told story of the visual arts of the Black Arts Movement in Chicago showing how artistic innovations responded to decades of racist urban planning that left Black neighborhoods sites of economic depression infrastructural

decay and violence Working with community leaders children activists gang members and everyday people artists developed a way of using art to help empower and represent themselves Showcasing the depth and sophistication of the visual arts in Chicago at this time Zorach demonstrates the crucial role of aesthetics and artistic practice in the mobilization of Black radical politics during the Black Power era

Secular Stagnation Theories Christina Anselmann,2020-04-17 In light of weak economic performances and rising income disparities across the developed world during the past decades this book provides a comprehensive overview of secular stagnation theories in the history of economic thought and examines the role of income distribution in various stagnation hypotheses By offering a historical perspective from the classical economists to the most recent stagnation debate of the early twenty first century the author shows that most stagnation theories were developed in periods of high and or rising income disparities Eventually it was Josef Steindl one of the least recognized stagnationists in the history of economic thought who put the distribution of income at the heart of his stagnation theory While Josef Steindl focused on the nexus between the functional distribution of income and economic growth this book includes the personal distribution of income in a Kaleckian Steindlian model of economic growth and stagnation In the model presented the nexus between economic growth and the distribution of income is a priori uncertain depending on the type of economic shock and the specific economic circumstances The author also discusses various empirically oriented policy implications aimed at fostering both economic growth and a more equal distribution of income This book appeals to scholars in economics and the history of economic thought interested in economic growth secular stagnation and income distribution

Trumpeting a Fiery Sound Jacqueline Miller Carmichael,2003-11-01 When twenty seven year old Margaret Walker s first collection of poems For My People won the Yale Poets Award in 1942 she was just beginning her long and distinguished career as a poet novelist biographer and teacher When her novel Jubilee was published to great acclaim in 1966 the New York Review of Books said It chronicles the triumph of a free spirit over many kinds of bondages Jubilee is noteworthy for being one of the first novels to present African American history from both a black and female perspective It is a historical and fictional account of Walker s great grandmother s life from slavery through Reconstruction as told to Walker by her maternal grandmother In Trumpeting a Fiery Sound Jacqueline Miller Carmichael examines the novel s genesis and composition the process of revision and publication the work s structure and narrative strategies its use of history and folklore and its critical reception in the three decades since its first publication
